4 Youths On Bikes Among 12 Injuries

13 Pre-Holiday Crashes Also Include Auto Climbing 2-Foot Wall

Twelve persons were injured in eight of 13 pre-holiday accidents reported in the Quad-City area since Monday. Four children were hurt in three bicycle mishaps.

William Edward Herman, 12, and his sister, Dorothy Fay Herman, 10, children of Mrs. Alice Faye Prewett, 500 Margaret avenue, Mitchell, escaped with minor injuries when the boy's bicycle glanced off the side of an auto driven by Donald E. Baker, Wood River, at an intersection on Highway 111 south of Roxana at 10:30 a.m. Tuesday.

They were taken to Wood River Township Hospital where they were treated for bruises. X-rays were taken and they were released. The boy, who had his sister as a passenger, was attempting to cross the highway.

Boy on Bike Hurt

Mike Ratty, 12, son of Mr. and Mrs. Edward Ratty, was injured when his bicycle was struck by an auto driven by Ruby Morgan, 2021 Johnson road, at 8:25 p.m. Monday at the end of the 2600 block of Adams street. The accident report said the boy rode from behind a parked car in front of the Morgan auto.

He was taken to St. Elizabeth Hospital where he was treated for scalp injuries, scratches to the left elbow and a cut to the right ankle. He was released.

Charles William Rumluf, 14, son of Mr. and Mrs. Von Ross Rumluf, 2551 Iowa street, was injured at 8:45 p.m. Tuesday when his bicycle flipped forward, throwing him into the street in the 2500 block of Washington avenue.

He was momentarily knocked unconscious and was taken by ambulance to St. Elizabeth Hospital with abrasions to his forehead, shoulder and thumb and a cut to the back of his head.

Witnesses said the boy was going north at the time. Police reported that there was no obstruction. A chuckhole may have been the cause, it was learned.

Car Hits Wall

James Gay, 27, of 2322 Edwards avenue, was taken to St. Elizabeth Hospital at 8:30 p.m. Tuesday for treatment of injuries received when his car struck and jumped over a retaining wall along State street at Fourth street in Madison.

Officers said they were unable to determine how the car jumped the two-foot retaining wall. The left front of the car was damaged.

Gertrude Browning, 74, of 2105 Park avenue, suffered minor injuries when a auto in which she was riding, driven by Annie E. Fowler, collided with another driven by Chester H. Stafford, 2809 Denver street, at 8:15 a.m.

\$366,000 Goal Set for Area's United Fund Drive

A tentative goal of \$366,000 for the 1966-67 fund campaign for the Tri-Cities United Fund was approved Monday afternoon by the board of directors during a meeting at the YMCA.

Allocations for agencies will be determined in mid-July after agency representatives are re-interviewed by the Admissions and Distributions committee. Another meeting of the directors will be called at that time by Joseph Gilk, president, to give final approval for a goal.

The new goal is up \$17,500 over last year's \$348,500 goal which was oversubscribed with pledges amounting to \$350,868.

McKay New Treasurer

In other action, the board elected Melvin McKay, assistant treasurer of Granite City Steel

Co., as the United Fund treasurer. He succeeds Louis P. Reilly, Madison banker, who died June 14. McKay's first task will be to determine 1966-67 campaign funds to be kept on deposit at interest and the amount needed for agency operations July 1.

A report by George Becker, chairman of the Admissions and Distributions committee, was approved. The committee included a new agency this year—American Social Health Association—and dropped the International Social Services and National Travelers Aid.

The committee also recommended an emergency appeal to be sympathetic with all personnel who have been in Vietnam and to replenish its national disaster fund included in the fall campaign. No figure was set.

'Smile Week' and Medicare Start Tomorrow at Hospital

Tense moments are expected tomorrow at St. Elizabeth Hospital and during the first week of July with the start of Medicare, but Sister Mary Thomas, administrator, has designated the week beginning July 1 as "Smile Week."

The hospital's "Smile" buttons, usually worn only on the first Monday of each month, will be worn throughout the week, she said, "to remind each of us to be sympathetic with all personnel who will be working with something new and different as Medicare is."

St. Elizabeth Hospital received its certification for participation in Medicare earlier this month, and a plaque showing the eligibility is to be sent here by the Department of Health, Education and Welfare, Social Security Administration.

The office staff is working today to enroll persons 65 years and older who presently are in the hospital. The number is estimated at 50. Sister Mary Francis, hospital controller, said Medicare enrollment will be automatic tomorrow for those persons in the hospital on July 1.

"We estimate that about 2% of our patients at all times will be Medicare patients," she said.

The Sister continued, "St. Elizabeth Hospital seems to be in readiness for the Medicare patients that are to be admitted. Much preparation has gone into what we hope will be a smooth running setup for our patients."

Simmons Scores 6-1 Easy Demo Victory

4th Term as County Chairman; Republicans Name Walters of Alton

Walter "Buck" Simmons was re-elected to his fourth consecutive term as chairman of the Madison County Democratic Central Committee at a county convention in Edwardsville Monday night as the Venice township political machine maintained its control of the party.

Simmons, receiving support from all areas of the county, steamrolled over challenger Louis Zaganelli, chairman of the Collinsville township Democratic committee, by a vote of 22,683 to 4,543.

Zaganelli received the support of 12 of the county's 184 precinct committeemen, and his own organization was split as Simmons received the support of five of the 16 committeemen in Collinsville township.

Re-elected as secretary-treasurer was James Chapman of Collinsville who is county recorder of deeds. He was unopposed.

OPENING SCENE for Madison's Diamond Jubilee pageant — "The Madison Story"—by Boy and Girl Scouts and twirlers. The two-hour show opened last night at the Madison high school athletic field and will be presented nightly at 9 o'clock through Sunday. (Other pictures on Page 12.)

600 At Premiere of 'The Madison Story'

"The Madison Story" was premiered last night before a crowd of over 600 persons, and Miss Diamond Jubilee, Marcella Bero, received her crown to open the pageant at Madison high school athletic field. The performance

will be repeated at 9 o'clock nightly through Sunday.

A "moonlight backdrop" shadowed the evening's proceedings, while, Miss Bero, daughter of Mr. and Mrs. Michael Bero, 1920 Fourth street, Madison, tearfully thanked everyone who made her crowning a reality.

9 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Beverly Cross, 14 Lee Wright Homes, Venice; Louis Holdey, 2213 Lee avenue; Dorothy McFadyen, 904 Twenty-fourth street; Walter Robertson, 3252 Rodgey avenue; Joe Ruebhausen, 4012 Rodgey avenue.

James Cutler, 2011 Madison avenue; Darin Partney, 2548 Benton street; Elizabeth Balaia, 1618 Maple street; Woodrow Dilley, 2815 Harding avenue.

Asst. Mgr. Marvin Henderson said 1130 megawatts (one megawatt equals one million watts) have been used, six less than at this same time last summer, but a high for 1966.

During the mid-winter and summer seasons electrical power is used to its greatest extent," said Henderson.

"With the air-conditioning systems and fans being used on a full-time basis now, our peak consumption for the summer is approaching."

Stores to Be Open Next Tuesday Night

Most retail stores in the Quad-Cities will be open until 8:30 p.m. next Tuesday because of the holiday closing for July 4 on Monday.

When a holiday occurs on the date for evening hours, most stores of the Associated Retailers change to the next evening.

Pro-Pageant Show

Dancing of two kinds put the jubilee in the right mood for the story's varied scenes when the "Little Cossacks" and the "Kakoi Indians" went through their high-stepping, high-kicking routines. Each told the tale of how Madison grew through their colorful interpretations.

Mr. and Mrs. Bruce Champion were then introduced to the views, along with Mr. and Mrs. Robert Garesche. Mr. Champion, the first son of Madison, was born in the village's first year—1891. Garesches are the son and daughter-in-law of Madison's 1965-77 village board president, Ferdinand Garesche, 420 In Cast.

A cast of 420 actors and actresses entered onto the 300-foot stage for the first episode of "The Madison Story."

A fireworks display, a song ("This is My Country, This is My Home") and a "Happy Birthday" rang through Madison high school's football stadium to mark the beginning of the show.

Boy scouts lined the 25-foot high steps on either side of the blue and gold stage, holding

Air Pollution Annual Loss in County Totals \$16 Million

Air pollution is responsible for an annual economic loss of up to \$16 million in Madison county—\$1.6 million of it in the Quad-Cities area—and causes irreparable health damage to persons who live in the more heavily polluted areas, according to a report released today by the Interstate Air Pollution Study at St. Louis.

For the two-state metropolitan area covered by the survey, the annual economic loss is estimated at \$1.6 billion. This area includes primarily Madison and St. Clair counties in Illinois and the city of St. Louis and St. Louis county in Missouri.

The different air pollutants—irritant gases, vapors, fumes, aerosols or small particles—result in the occurrence and

worsening of many serious respiratory diseases including asthma, chronic bronchitis, lung cancer and emphysema," the report asserts.

Based on Intensity, Types

Damage to health varies depending upon intensity of and the varying types of pollutants, as well as the frequency of exposure.

The 94-page report, another segment of the Phase II Air Pollution survey that began three years ago, details minimum standards of the various types of pollutants to which present high levels must be reduced to attain what engineers term a "clean air" condition.

The report is one of eight made in Phase II study to guide the area in setting up proper air pollution controls.

Loss \$65 Per Capita

Estimates of economic loss are based on a rate of \$65 per capita per year. The report says that the content of the air appears to be a determining factor in the value of property and "in fact, was found to be significant in the overall explanation of property value," almost as important as highways, and more important than state location, time from the central business district, or school quality.

Values Could Rise

Dr. Ridker's report showed that if pollution levels to which property residences were exposed were to drop 25 milligrams per 100 square centimeters per day,

Madison Jubilee 115-Unit Parade Here Saturday

Seating, Tickets Still Available

Harry Schermer, Madison jubilee pageant ticket chairman, said last night that seating facilities to accommodate 2200 people are available for those who wish to view "The Madison Story."

In the event of an overflow crowd, 300 portable chairs will be set up at advantageous locations.

Although advanced ticket sales have limited the number of seats, Director Jerry Maeras said 500 reserved tickets at \$2 apiece and 1700 general admission tickets at \$1.50 are still on sale.

"We're expecting big turn-outs over the weekend, and no one will be turned down," Maeras said.

Through All 3 Cities; Marching Units Route From 14th to 3rd Street

Quad-Citians will be treated to one of the largest parades in the history of the area, as Madison "puts the icing" on its 75th anniversary cake for the Diamond Jubilee parade Saturday afternoon.

The parade will begin at 1:15 p.m. on Broadway at the Venice city hall and will feature mobile units only through Venice, north along State street in Madison, and into Granite City to 23rd street. There the parade will cross over to Madison avenue for the return to Madison.

Marching units will join the parade at 14th street and continue south to Third street and then east past a reviewing stand in front of the city hall to the junior high school grounds.

The parade will be adjacent to the junior high at Third and High

115 Units Participating

At full strength between 14th and Third streets the parade will include a minimum of 115 units, and additional bids to join the procession are being received daily. So far there are seven drum and bugle corps, six bands, 12 drill teams and other marching units, 12 antique cars, 24 floats and numerous other vehicles, including those drawn by horses, ponies and even a llama.

Latest additions to the parade include the Madison high school Indian drill team, floats sponsored by the Methodist and Presbyterian churches and by the Madison public library and a horse and buggy to be entered by the Granite City Trail Riders.

Asks RRs to Cooperate

In order that the 2½-hour event can proceed unobstructed by its tremendous mass of thousands of mobile units marching along the route, Mayor Stephen Maeras has written a formal request that all railroad crossings along the parade route be halted between starting and ending hours of the same.

Harry Johnson, special days chairman and general manager of the parade, said that a meeting was held last night to brief the directors of "Parade Day."

He cited his assistants, Fred Honerkamp and Kenneth Henson, as having done "outstanding work" in lining up the parade with changes in plans of action continually.

Spectators may view the jubilee activity from vantage points in Venice, Madison or Granite City.

Parade Units

Tri-City Shriners motorcycle brigade is to be the first unit to clear traffic and set parade route prior to start.

Units in the full parade beginning at 14th and Third streets will be—

Drum & Bugle Corps — Black Knights Memorial Lancers.

City's Budget Still Going Up

Next week the council will begin deliberation on salary increases for Granite City's 135 city employees. The Personnel committee was not ready this past Monday night.

Nevertheless, the proposed budget for 1967 continues to go up and the latest bid, by unofficial tally, amounts to \$2,002, a 1.5% increase over Monday night's \$1,972.20 for hiring a technician for the Air Pollution Control Commission and for commission expenses.

Also added was \$5000 for a special election proposed for municipal government improvements. Still pending is an operating budget for the sewage treatment plant.

Mayor Partney commented that he believed city employees would give pay increases and that they could be granted if the council would give up special projects.

The special project sections of the budget totals \$287,683, compared to \$48,281 spent last year. For the 1965-66 fiscal year, the council allocated \$45,000 for pay increases.

Coin-Operated Places

Midnight Auto Washes Banned in Granite City

There'll be no midnight car washing at coin-operated places in Granite City.

Council members approved Monday night an ordinance requiring coin-operated car wash businesses near homes in the city to be closed between the hours of 10 p.m. and 7 a.m., with a \$10 to \$200 fine for violation.

In the ordinance, it is brought out that the car washes "are being used during the late evening and early morning hours and disturbing the sleep of surrounding householders."

"The city," it continues, "is empowered to enact measures for public health, safety, welfare and public order... and it is held to be for the best interests of the householders residing adjacent to coin-operated car washes that the operation of car washes be prohibited during offending hours."

One exception is granted—the law covers only those car wash businesses within 350 feet of any residence.

The June meeting of the Jaycettes club was held Tuesday evening at Tri-Mor bowling lanes with Mrs. Betty Lake, president, presiding.

Guest speaker was Charles Lindquist of St. Louis. Reports were given by Mrs. Sharon Ritchie on a homecoming stand and Mrs. Sandy Peterson on the recent homecoming parade.

Mrs. Lake announced that State Jaycettes are planning a "wives' cookbook." She asked each chapter to contribute favorite recipes. Those named to the committee to compile the recipes were Mesdames Sally Herbst, Pauline Presley, Judy Eaton and Marge Penney.

Mrs. Faye Kraus and Mrs. Lake spoke on the Junior Sports Jamboree to be held in Granite City on Aug. 4, 5 and 6 and explained the arrangements that have been completed.

Mrs. Eaton was named to serve at the immunization clinic held at St. Elizabeth Hospital on Saturday as a representative of the club.

The next meeting is planned for July 26 at the bowling lanes. Mrs. Lake will serve as hostess. Refreshments were served at the close of the meeting by Mrs. Herbst, hostess for this month. Present were Mesdames Marilyn Dainoff, Dolores Siebert, Mary Watkins, Diane Warnhoff, Kathy Jeffries, Betty Young, Donna Wetherholdt and a guest, Joyce Walker.

Job's Daughters Begin New Year

A regular stated meeting of Job's Daughters Bethel 43 was held Tuesday evening at the Tri-Mor bowling lanes. Newly-elected officers conducting their first meeting.

Miss Dianne French, honored queen, presided. Those escorted and introduced in the East were past honored queens Mrs. Eleanor Todoroff, Miss Cynthia Eaton and Mrs. Penny Love; Mrs. Nell Baskette, guardian; and Dr. E. H. Theis, associate guardian.

Annual plans were made for the members to conduct a car wash July 9 at two service stations, one the Standard station at Nameoki and Felling roads and the other the Shell station at 20th street and Madison avenue.

On July 25, the girls will go by bus to the Municipal Opera to see "Oklahoma."

Plans were made to attend a ball game in St. Louis on "teen night" Aug. 12. Members of the order met Wednesday afternoon at the Tri-Mor bowling lanes for a summer league. They will meet there each Wednesday afternoon.

Following Tuesday's meeting, the members and guests retired to the dining room, where refreshments for the 75 present were served by the Mothers club. Next meeting will be held July 12.

REPUBLICAN WOMEN HOLD ANNUAL PICNIC

Newly-elected party officials were guests of the Granite City Republican Women's Club at the annual picnic of the organization Tuesday at Wilson Park.

Present were Roy Lynn, district chairman, and the following precinct committeemen: Lester Thiele and Mrs. Marlene Serini and Mrs. Vernice Wortman, candidate for the office of county clerk.

The club's Day Unit was represented by Mrs. Ella Green and Mrs. Ruth Lucas, immediate past president.

Other guests were Mr. and Mrs. James Keller; Mrs. Helen Thiele; Mrs. Edna Lynn, Misses Sandra and Sharon Serini, Miss Cheryl Dilday and Mr. and Mrs. Bennie Glasgow and daughters Susan and Shannon. Announcement was made of a meeting of the Madison county federation of Republican Women's clubs to be held from 1 until 4 p.m. July 18 at First National Bank and Trust Co. in Edwardsville, and an executive committee meeting of the Granite City Club at 7:30 p.m. July 14 at the Thiele home, 1509 St. Clair avenue.

All meetings are open to the public, and all Republicans are invited to attend.

BRIDAL SHOWER FOR MRS. HUBERT

Mrs. Kenneth Hubert, the former Janice Miller, was guest of honor this week at a miscellaneous bridal shower given by Mrs. Carl Waller and Miss Donna Moore at the YMCA.

A buffet supper was served to about 50 guests and a number of prizes were awarded.

NEW HOPE MEETING

New Hope Chapter 452, Order of the Eastern Star, will meet Friday at 8 p.m. at the Masonic Hall. Sara and Jack Dempsey will be presiding officers.

RECENT BRIDE, Mrs. John V. Losito (Rosemarie Geissert), a daughter of Mr. and Mrs. Ralph Geissert, 1709 Venice avenue. Her wedding took place Saturday morning at St. Elizabeth's Catholic Church.

Class A Tourney
To-date, five teams are figured to be in the Class A fast pitch regional. Mathews Chevrolet is the only Quad-City team to enter. Should a Southern Illinois regional be slated, other area teams could be included. The other four in this Aug. 17-22 Alton state regional are, in addition to Mathews, the host team Northside Boosters, Belleville, 21st-Wood and the Alton Chiefs.

A national regional involving nine teams will be held Sept. 1-5 in Decatur. Entered in it are the four state winners from Illinois, Wisconsin, Indiana and Kentucky. In addition, four metropolitan teams are entered. These are from Chicago, Milwaukee, Indianapolis and Louisville. And the host team, the Perfect Win- row team from Decatur, will compete.

The World Tournament in Class A will be held in Indianapolis Sept. 15-23. The Aurora Seals- mers, who defeated Mathews here June 10, will be defending their world title.

Class B Tourney
Three area teams will be entered in the Granite City ASA Game 2 winner. Another contest, Class B Regional Tourney begin- ning July 23. Granite City, St. Louis Thurmer's and Kirch- ner's in the July 23 opener. Win- row, who defeated Mathews here June 10, will be defending their world title.

Mitchell, Mercer Collide Again

This Area's Three Inter-City Teams Face Busy July Fourth Schedules

Southwestern Illinois Inter-City League standings may be judged a little over the long holiday weekend—not so much in the Blue Division, where 9-0 Mercer leads the pack by three games, but in the Red Division, where the race is closer.

As for the three Quad-City area teams, each plays both visitor and host over the weekend. Hearts-Liberty Home will be busiest with a doublebill, the only one in the league, slated Monday.

If East St. Louis Harper is to catch Mercer, it must first deal with Ed Opich's Hearts Sunday. Then Harper can look to Monday's tilt with second-place Pocahontas. The Hearts will be busy Monday with East Alton. Opich expects to pitch his new find, Larry Lelik, against Harper Sunday in the 2:30 p.m. game at Jones Park. Lelik was impressive in an exhibition tryout in Washington, Mo., last Friday night.

The young right-hander struck out eight, walked seven and gave up six hits in a winning route- going performance against a tough (4-2) Washington Buds team.

In the Monday 1 p.m. twin affair with East Alton at Wilson Park in which the Hearts are "visitors" in the first contest, Jim Rains and Ron Reiss will probably be Opich's mound choices.

Mitchell-Mercer Rematch
Wendell Corey has signed a new hurler for his Mitchell staff. He is Jim Campbell, a relief hurler with Illinois State University, Normal, this spring. He could see action this weekend.

Three Unbeaten Hurlers
Thompson is 6-0 and Harris is 2-0. In the background, Crabtree can draw on Wayne Gavel- lit, who notched the other victory on the team's chart.

It won't be the first weekend Mercer has played two games. The team pulled off a 6-3 win over Troy May 29 and came back the next day to take a Monday Day 7-2 win from East Alton.

But both those teams still trail their respective division. Mercer's competition Sunday and Monday may prove a bit tougher.

In other action Sunday, Quad-City area teams may get some left-handed help by having their Monday opponents softened up a bit on Sunday.

Troy plays the Hearts' Monday opponent, East Alton. Pocahontas goes against Mitchell's Monday opposition, Mayville, and Collinsville entertains Mercer's Monday foe, Polish-American, on Sunday.

The two non-Quad-City games July 4 have Collinsville at Troy 6 p.m. Tuesday.

Last night Post 113 warmed up with a 10-4 exhibition win over Collinsville at Wilson Park. Shambro notched his fifth win after relieving Rick Turpenoff in the fourth.

Ripka led with three singles and a double in a three-run tie-breaking fifth inning rally. Patton, Ripka, Johnson and Siffitt all singled ahead of a squeeze bunt by Carl Benson.

Turpenoff's crew iced the cake with four runs in the sixth. Ripka's double followed a walk to Tony Gregus and Patton's single as the inning got rolling.

Education
If it isn't the price you pay for experience, but the knowledge you gain, that counts.

This being the case, Doug Win- field, a varsity standout at Peru State this spring, may have the opportunity to knock off Blue Division top-dog Mercer, while Bill Lierman can try to pick off Red Division pacer Mayville.

Mitchell is in the unusual position of facing both division's front-runners this weekend—Mer- cer at Wilson Park in a 2:30 p.m. game Sunday, and Mayville at Mitchell in a 2:30 p.m. contest July 4.

Seek Third Conquest
As for Mercer this weekend, the question is, can the squad knock off a third? Already it has notched 4-3 and 4-0 victories over Corey's charges, and these were the tightest wins. Don Crabtree's crew has come up with.

If not Mitchell, then what about Polish-American of East St. Louis, Mercer's opponent in a 2:30 p.m. game at Jones Park on Monday? Outside of Mitchell's July 4 opponent, Mayville, Polish-American is the only team Mercer hasn't faced in its string of nine victories.

Crabtree isn't overconfident about beating either of the two opponents this weekend. "We're expecting to have 'Jo Jo' John- nigmier back this weekend," Crabtree said, "he's been out with a sprained ankle and we'll be glad to get him back in the lineup."

Crabtree is still uncertain as to which pitchers for the two games this weekend. But other Inter-City managers might wish to have such indecision what with Mercers' hurling duo of Bruce Thompson and Pat Harris.

Post 113 Gears For Three More League Affairs
There are at least six good reasons why Post 113 is currently setting a fast pace as 16-2 North Division leader in District 22 American Legion Baseball. Coach Turpenoff's six infielders are each hitting over .300.

Specifically, pitcher-first baseman Tom Sticht is hitting .300; catcher Fred Hoffman, .437; first baseman Larry Johnson, .306; second baseman Larry Ripka, .307; shortstop Charlie Collins, .366; and third baseman Greg Turpenoff, .300.

But the hurling department has contributed, too. Mike and a double in a three-run tie-breaking fifth inning rally. Patton, Ripka, Johnson and Siffitt all singled ahead of a squeeze bunt by Carl Benson.

Turpenoff's crew iced the cake with four runs in the sixth. Ripka's double followed a walk to Tony Gregus and Patton's single as the inning got rolling.

Credit Union Team Has Bye
With the East St. Louis Hawks dropping out of the league this week, the Senior Hawks team is now a six-team affair. Earlier, East St. Louis Lansdowne exited from the circuit.

Granite City Steel Credit Union is idle this weekend with a bye, as is East St. Louis VFW. Three other games are on tap, however.

Venice's Mets go at the Madison Dies in a 2 p.m. game at Diamond No. 1 in Lee Park. Belleville's Moose have a twin affair on the East St. Louis Blue-jays diamond.

League standings now shape up as: North—Belleville Moose 6-1, East St. Louis Bluejays 5-2, Madison Dies 3-3, Venice Mets 2-6; South—East St. Louis VFW 8-0, Granite City 6-2. Each drop- out team had seven forfeit losses.

EYE APPEALING TROPHIES, not the attractive Sally Steg of the Granite City park district office, will be awarded in the district's annual invitational softball tourney at Wilson Park this weekend. Two largest awards are for first and second place teams. The center pair will go to the best pitcher and batter, and the others to individual outstanding players.

Auto, Cycle Racing Notables Will Race Here This Weekend

From ever indication it's the notables in racing, not the notables, converging on Tri-City Speedway for a three-day speed spectacular this weekend.

Highlight of the holiday activity will be Sunday's motorcycle races, which have sparked rumors that other than American Motorcycle Association sanctioned cyclists might converge here.

"We've checked out these rumors about wild motorcycle gangs with Police Chief Wilkerson, Sgt. Angelloff of the highway patrol and Major Jacobson of the St. Louis police. Elvis Doolin, Tri-City track owner said, "and we're convinced there will be no trouble."

As for "Hell's Angels," it seems there are angels and there are "angels." Rumors that "Hell's Angels," motorcycle gang of Southern California cyclists, were expected here are equally unfounded, according to Brannell, Tri-City track announcer.

Confusion Over Name
"As a matter of fact, the Blue Angels, the Navy's precision flying group, are appearing Sunday at Alton." Frankenstein, explained. "This has caused confusion, with people thinking the Blue Angels were 'Hell's Angels,'" said Brannell.

But if the speedway program lacks for black-jacked melodramatics, it certainly seethes about with promises of racing thrills.

On Saturday night, many of the favorite auto racing drivers

will compete in a super modified and hobby car program. Time trials are at 7:30 p.m., and racing events one hour later.

Springfield's 1965 Illinois-Missouri super modified racing champ, Chuck Lynch, 1964 Tri-City modified champion Bill Meyers of Wood River, Albuquerque's Donny Burke, Lauren Salmon of St. Charles, and Springfield's Jim Moughan are all on tap for the Saturday night show.

National Champion Here
It has been learned from good authority that Bart Markel, current Grand National Champion motorcycleist from Flint, Mich., will headline the motorcycle race Sunday.

Already in for this event, with time trials at noon and events at 2 p.m., is 1964-65 Grand National Champion Roger Reiman of Kewanee, Ill.

Entries have come in from all over the country. Coast expert from Bellflower, Calif., is expected. He won the five-mile National in Wisconsin and the 15-mile National at Heidelberg, Pa., this season.

Former Texas champ, Darrel Dovel, now of Waukegan, is entered. Art Bard of Chicago, former Illinois state champion, also is on the program list.

From Seattle, Wash., Sid Carlin, from Fort Smith, Ark., Bob Winters, and from Kansas City, Kan., are also expected. Jimmie O'Dell—all have filed entries.

Babe Deay, Illinois state flat-

track champion for three years, is coming in, too. And expert rider Freddie Nix, Addison, Ill., is among the more than 100 riders expected here.

50-Lap Race Monday
On Monday night, in a 7:30 time trial, 8:30 event program, Tri-City Speedway will present a "Patriotic 50-Lap Super Modified National Championship" card.

Thirty entries are expected for the six-event program. There will be \$5 per lap prize money with an accumulative \$250 prize to checkered-flag winners.

All super modifieds, this. Drivers include Gene Henson, former super modified champ from Terre Haute, three-time national champion Johnny Meyers of Decatur, Galesburg's Jerry Blundy, Bobby Carter of Covington, Ind., Steve Cannon of Oakwood, Ill., and Jerry Camfield of Argentina, Ill.

Competition in the event represents 60 points toward national championship totals.

Nameoki, Suburban Baptist Notch Wins

Frank Carroll's 4-for-5 plate performance and Roger Russell's homer were among highlights as Nameoki Methodist dumped Madison Baptist 23-3 in Quad-Cities Slow Pitch Church League action Tuesday night.

Madison Baptist collected only three hits in the first six frames but staged an uprising on Dean Meek's three-run homer in the seventh.

In the other game Tuesday night, Suburban Baptist nosed out St. John Lutheran 10-7. Ray Yaeger and Jim Burch each had four hits for Suburban, including a homer apiece. Tom Papp homered for the losers.

Cage Award Finally Leaves Granite City

An award for the most valuable player among small college basketball players, the C. J. Barnett memorial award, has finally been wrested from Granite City after four years.

After the award went to Carl Wortham in 1962, '63 and '64, and to Bob Simpson last year, Charles Boyd, a 6'9" center from Mineral Area College, has been voted the award for 1966.

Elsewhere in Southern Illinois, fishing fish classified as "good" at state conservation department lakes at Murphysboro, Johnsonville, and Kilmory, bluegill take top billing at these impoundments, with garden worms the favored lure.

Paddlers Win Again; Sport 35th Victory

The Paddlers' Swimming club of Granite City gained its 35th dual meet victory and set six team records Monday afternoon when it downed host Scott Air Force Base by a 402-172 score.

Mark Ames swam his way into the limelight as he became a five-place winner for the day's competition. In the boys' 11 to 12 age group, he won the freestyle, butterfly and breaststroke events, and was a member of two victorious relay teams.

Sally Schwaeger, who broke her own 9 to 10 girls' individual medley standard set last week, was timed at 1:35.2. Her previous winning time was 1:33.9.

Gail Thompson, Linda Mallott, Mary Ellen Dunn and Sue Luyker combined efforts for their 200 meter relay victory. Their medley swims were clocked in a speedy time of 2:44.4, more than seven seconds better than the standing record.

Mark James (11-12) out two seconds off the 50-meter butterfly with his timing of 42 seconds flat. Bill Beatty and Gordon Quinn, both swimming in the 15-14 age bracket, won the 100-meter butterfly and 100-meter breaststroke, respectively. Beatty's event terminated after a quick 1:35.0, while Quinn also set a new Paddler record at 1:32.7.

Scott Loftus must have been practicing his strokes while on vacation last week, for he came back at Scott with a strong 1:38.4 in the 11-12 IM 100.

Younger friend, Mark Buenger, won the 100-meter breaststroke, respectively. Beatty's event terminated after a quick 1:35.0, while Quinn also set a new Paddler record at 1:32.7.

Mitchell Girls Drop Two Games

Mitchell's Macoupin-Jersey Madison Girls' softball League record moved to 1-3 this week after a 16-11 loss to Wilsonville at home Monday and a 13-5 defeat at Gillespie Tuesday.

Joann Minnick's three-run homer and Stephanie Clonk's two-run triple paced Mitchell in the Monday game against what is regarded as the league's strongest club. In the game Tuesday, eight stolen bases led to Mitchell's misfortune against the fleet-footed Gillespie team.

lief, however, the channel catfish take top honors on or near the surface and hooks placed near the float on a trotline will get results.

Credit Union, Mathews Both Get 5-2 Wins

One way to win in Wilson Park Classic League fast pitch is to follow the still unbeaten Mathews Chevrolet script. Granite City Steel Credit Union watched the Chevy gang beat Kirchner's 5-2 Tuesday night and then knocked off the Merchants by the same 5-2 margin.

Singles by Jerry Wintjen, Jack Angle and Jim Burch, spaced between walks, got Credit Union off to a 4-0 first-inning lead as it notched its second win in seven wins. The Merchants out-hit their opponents but were plagued by three costly errors. They're 4-3 now.

Mathews, now 7-0, spaced its seven hits, highlighted by Jerry Wallace's double. Ray Hoffman and Pat Harris allowed Kirchner's only five hits—one of them Pete Robinson's triple. Kirchner's is now 1-4.

Golf Winners Now in State Jaycee Event

Rick Giles, Collinsville, took Granite City Jaycee junior golf tournament winner's trophy with a 37 at Arlington Monday.

Giles, along with second-place finisher James Dunn, 3336 Johnson road, who shot a 78, will advance to the state tourney at Freepoint July 11-13.

Eleven boys toured the 18-hole event at Arlington. Mike Fuller, 2707 Roosevelt street, placed third with an 89.

The top four emerging from the Freepoint tourney will go to Greensboro, N. C., for U. S. Jaycees International Junior Golf Championships Aug. 7-12.

NOW ELIGIBLE FOR STATE JAYCEE GOLF tournament competition is Rick Giles, Collinsville, being presented a trophy by the Jaycees' Dr. E. L. Strotheide (third from left) after winning local tourney at Arlington Monday. Also eligible for state play is second place winner James Dunn (left). Mike Fuller (right) placed third in the tourney here.

Madison Council Approves Contract For Catch Basins

Construction of long-delayed catch basins along Washington avenue in Madison is to begin soon. The Madison city council approved a \$15,822 bid from Situmous Fuel & Oil Co., East St. Louis, at a meeting Tuesday night.

The bid was the lowest of three opened several months ago but was above engineering estimates made a year earlier and required the approval of the state highway division.

The basins will be located between Market and Eighth streets. The contract must be drawn, executed and approved by the state highway division before work starts.

Speed Limit Signs

The council ordered the posting of 25 miles-per-hour speed limit signs along the newly completed McCambridge avenue project to prevent the street from being used as a speedway. Granite City has taken similar action.

Mayor Stephen Maeras said that contracts will be continued to obtain state approval for electric traffic signals for the McCambridge intersection with Edgewood road. The council considers the intersection to be dangerous.

Arrangements have been made for inspection of the Fox Brothers plant in Madison by the State Air Pollution Control Board to investigate the origin and cause of iron oxide thought to be emitted. Owners of homes and voters have voiced complaints.

The firm said state inspectors would be admitted to the plant at any time after Tuesday, when its employees will be available, Maeras reported.

Close For Parade

The mayor and council asked Madison merchants to close their stores for two hours beginning at 2 p.m. Saturday, when Madison's jubilee parade will be conducted to permit their employees to view it.

Mayor Maeras said that Granite City Steel Co., the Illinois Terminal Railroad and the Terminal Railroad Association have agreed to stop train traffic at the 14th and 16th street rail crossings on Madison avenue and Street during the parade.

King Church Bells

The council asked churches and other organizations to ring their bells for two minutes at 1 p.m. Monday in observance of Independence Day.

A \$1000 motor fuel tax appropriation was approved to permit Sheppard, Morgan & Schwaab, engineers, to conduct a traffic survey in connection with a statewide highway study being made by the firm of Wilbur Smith & Associates for the state highway study commission.

Surrey bonds of \$2000 for Frank Hale provided by the Maryland Casualty Co., and \$4000 for John Stanek, provided by Robert B. Morrison, were approved. Both are special policemen.

60 Protest Rezoning Of Pontoon Rd. Tract

A protest petition with over 60 signatures on the proposed rezoning of a tract at Pontoon road and St. Louis avenue from residential to commercial was received Monday night by Granite City council members.

It was referred to the City Plan Commission.

Council members placed on first reading an ordinance for annexation of three areas within the city that are developed but are not a part of the city even though completely surrounded.

The areas of six acres or less are in the Dream Villa and Glenview areas, and exact boundaries have yet to be determined. A survey was authorized to pinpoint legal descriptions and to provide a plat to the county recorder of deeds.

Several years ago the city was growing so rapidly in those two areas that overights left tracts and entire blocks out of the city—as the city boundary was moving eastward. Last year, the city got around to annexing the Wilson school site in Glenview.

Tadlock Sparks Program At Veterinarians Meeting

Dr. Lawrence Tadlock of Granite City, is chairman of the program committee, the board of governors, Southern Illinois Veterinary Medical Association. It was announced today following the association's meeting at a restaurant in Belleville.

Discussion of the public significance of the new 1963 rabies control act held the main part of the dinner-meeting.

Man, Woman Arrested

Eddie Abney, 32, of 1821 Benton street, was charged with battery by Theresa Leschey, 48, same address, who signed a complaint, and both were charged with intoxication by creating a disturbance at 2:40 p.m. Tuesday at that address. Abney refused medical attention for an arm injury.

Niepert New Commander Of American Legion 113

Wilbert Niepert, 2429 Woodlawn avenue, was elected commander of Tri-City American Legion Post 113 during a meeting Tuesday night. He succeeds Edgar Horton to the position.

Niepert, who was a Marine sergeant, is employed as a pressman by the Press-Record and Tri-City Printing Co.

Other officers elected were Herbert Strickland, senior vice-commander; Hugh Oglesby, junior vice-commander; A. Burt Harris, finance officer; Donald Short, sergeant-at-arms; Arthur Probert, historian; Abner Branding and Frank Toth, members of the executive committee; Harold Summers, member of the trustee board; and Strickland, Joseph Summers and Russell Birks, delegates to the state convention to be headed by the new commander.

Guest speaker at the meeting was Lt. Col. George Grimes, director of services for the 501st Field Depot now training at the Granite City Army Depot. A member of American Legion Post No. 1, Paris, France, he spoke on patriotism and on the works and aims of the Legion.

Niepert reported on the weekly Saturday barbecues held at the post home, and Joseph Summers reported that the Legion-sponsored baseball team now has a 15-and-two record.

Refreshments were served after the meeting which was attended by 57 members.

Wheat Growers Harvest High Country Yields

M. Lee Rogers, office manager of the Agricultural Stabilization and Conservation Service, said today that 1966 has been a "real good year."

Rogers said that 99% of Madison county's wheat harvesting will be complete by this Sunday. He estimated that 49,000 acres in the county would be covered, as wheat growers report 40 to 70 bushels per acre.

County Farm Advisor Truman May stated that the county average should yield 38 bushels per acre. The grain is of high quality, mainly because of the low moisture content and maturing brought about by the recent dry weather.

Hard wheat in the county is being grown and harvested at only a small percentage of the total crop. Soils are better suited to a soft wheat production, which thus far shows a better than average yield in this area of the county.

Bound Over on Burglary

Guy R. Woods, JR. of Gillespie, has been bound over to the Madison county grand jury on a charge of burglary at the First service station here on June 16. Property bond was set at \$5000.

One Radar Arrest

Daniel W. Steward, 4949 Lakeview drive, was arrested on a speeding charge at 7:45 a.m. Wednesday as police operated a radar unit at Wabash and Richmond avenues. He was summoned for a hearing by July 15.

Mayor, Wilimzig Bound For Shriner Convention

Mayor Donald Partney and his son, Daniel, will be among members attending the Imperial Session convention of the Anad Shrine Temples July 4-7 in San Francisco, Calif.

This national meeting, which should have over 25,000 delegates from 165 chapters and their units, is the annual Shrine convention-business gathering. Five Imperial representatives from this metropolitan side of the river will be present. Among them is Roy L. Wilimzig Jr., chief rabbon of the Tri-City Shriners. His wife, Margaret, will accompany him. Morris McLean, potentate of the East St. Louis Anad Shrine Temple, will head the area delegation at San Francisco. Normally about 320 delegates are in attendance from this region, but the distance and cost has limited the number to this year's meeting, according to Wilimzig.

Three Traffic Charges

Raymond E. Stengel, 112 Abbott street, Venice, and Glyn Lindsey, 2014 Dewey avenue, were charged with sign violations at 19th street and Edison avenue, and Norman L. Laird, 2511 East 25th street, was charged with a traffic signal violation at 20th street and Madison avenue Tuesday morning. They were summoned for hearings by July 6.

GC Council Votes 10-to-5 to Name Sewer Plant Committee

The power grab resolution on vote of the Granite City council, control of the city's new sewage treatment plant—also termed a "leach board" tactic and the "last control activities and hirings" resolution—was approved Monday night by a 10-to-5 vote. The committee is to be

laborer for the treatment plant. At the recessed meeting, the appointments for four sewage treatment plant workers received council approval, while three others were not accepted. The committee for the three, pointing out it was necessary for the plant to be fully staffed to prepare for a start-up.

In response to a request made last week, City Atty. Allen submitted a written authority to the mayor was within his authority to make 30-day appointments as he had done last year with a "cure" secretary.

However, an objection to the minutes of the June 22 meeting was made by Alderman Johnson based on the appointments, and the vote against acceptance of the minutes was by Johnson, Bartoski, Parnley, Robertson and Poulos.

Full operation was scheduled to begin today, but has been delayed until next Tuesday, July 5. The added delay resulted in the need for freshly painted tanks to "cure," it was reported to the council by Moerlein.

The hall was decorated in pink and white. White wedding bells adorned the tables and other parts of the hall. The gift table and refreshment table were decorated in the same colors, using a bride and groom on the table.

Plastic baskets of pink and white filled with candies were at each place setting.

Games were played and Miss Plantiff opened her gifts. She was assisted by Mrs. Mary Hackney, Mrs. Juanita Hackney and Miss Top Plantiff.

Those in attendance were Mrs. Sharon Jackson, Mrs. Arlene Slaby, Mrs. Grace Koelker, Mrs. Mae Canner, Mrs. Betty Hackney, Mrs. Naomi Boelling, Mrs. Mary Lou Griffin, Mrs. Linda Carruso, Mrs. Gloria Hertz, Mrs. Louise Petish, Mrs. Maggie Trovich, Mrs. Emma Grakianoff, Mrs. Dorothy Grakianoff, Mrs. Janet Mayo, Mrs. Tina Powell, Mrs. Janet Graves, Mrs. Ann Renfro, Mrs. Loretta Herrington, Mrs. Katie Asperger, Mrs. Baiton Asperger, Mrs. Ann Kralley, Mrs. Josephine Knezevich, Mrs. Mary Ann Rohlfing, Mrs. Betty Steele, Mrs. Mary Jackovich, Mrs. Barbara Planitz, Mrs. Nell Winter, Mrs. Mary Hackney, Mrs. Frances Brown and Misses Gail Stagner, Jill Hamilton, Celi Kowalczyk, Lynette Petish, Doris Kralley, Donna Miller, JoAnne Maykopet, Nancy Cholevich, Penny Planitz, Terry Planitz and Libby Sue Hackney.

SURPRISE PARTY HONORS MISS WILLIAMS

Miss Joan Williams arrived at the home of Mr. and Mrs. Deane Nicholas, 1338 Fourth street, Sunday afternoon to attend a party given by Miss Sheila Nicholas.

To her surprise, she found her mother, Mrs. Lenna Williams, and Mrs. Jean Voegel, Mrs. Edna Barton, Mrs. Sharon Gregg, Miss Charlotte Lewis, Miss Elaine Shipchoff, Miss Tena Thebeau, Miss Jean Grakianoff, Miss Connie Gadowell, Mrs. Judy Zeislet, Mrs. Ruth Nicholas, Loriann Nicholas, Miss Gloria Ponce and Ellen Voegel awaiting her arrival with personal gifts.

The bride shower was given by Miss Sheila Nicholas, Mrs. Judy Zeislet and Miss Gadowell, bridesmaids and maid of honor for the wedding of July 9, when Miss Williams will become the bride of Jerry Grakianoff.

Games in keeping with the wedding theme were played, with prizes being awarded. Lunch was served by the hostesses.

Miss Williams opened her many packages, assisted by Miss Gadowell.

HOME FROM WASHINGTON

Mr. and Mrs. Lester Grimes and family entertained Mrs. Robert Grimes and daughter, Tina Marie, of Lakewood, Calif., prior to leaving on a week's vacation to Washington, D. C., and Norfolk, Va. Mr. and Mrs. Grimes and daughters, Susan, Sally, Jeaneane and Becky, motored to Washington and spent time on tours, viewing the White House and other points of interest.

They then visited a son, Chief Petty Officer third-class James Grimes, who has served in the Navy six years. He took his parents and sisters on the U.S.S. Randon for an open house tour. They spent the weekend with him, returning to their home, 1585 Fifth street, Tuesday afternoon.

BRIDAL SHOWER HONORS

JO ELAINE PLANTIFF
Miss Jo Elaine Plantiff, who is to be married July 18, was honored with a bridal shower Sunday afternoon at the American Legion hall in Venice.

The shower was given by Mrs. Anita Hackney and Miss Toni Plantiff. Miss Plantiff was assisted as maid of honor at her sister's wedding. Mrs. Hackney is the mother of the prospective groom.

The hall was decorated in pink and white. White wedding bells adorned the tables and other parts of the hall. The gift table and refreshment table were decorated in the same colors, using a bride and groom on the table.

SILVER ANNIVERSARY

Mr. and Mrs. Leonard S. Gnojewski, 1610 Fifth street, were surprised with a silver anniversary party held in their honor Sunday afternoon and evening. The event took place in the Polish Hall in Madison.

Mr. and Mrs. Gnojewski were married July 5, 1911, at St. Joseph's Catholic Church, Granite City. Mr. and Mrs. Anthony Ratkiewicz were their only attendants.

Special guests Sunday included the godparents, Mrs. Veronica Kula, who resides in Madison, and John Samski, whom the family had not seen for 40 years. They will renew their wedding vows Sunday morning at a nine o'clock Mass at St. Mary's Church in Madison. Plans for a "second" honeymoon are being made for the near future. The couple has never taken an official honeymoon, and will tour the East.

The party was planned by the daughters and son of the honored couple, including Mr. and Mrs. Tony Pasheja Jr., Mr. and Mrs. Paul Podraza, Mr. and Mrs. Leonard M. Gnojewski and Mary Ellen Gnojewski. The guest book was presided over by Mrs. Podraza and Mrs. Gnojewski.

A traditional Polish wedding, with bridal dance and orchestra, furnished entertainment for the large gathering.

The buffet table was decorated in keeping with the anniversary theme, with a silver and white carnation centerpiece and candles in silver holders on either side. A large cake was decorated especially for the occasion.

MORE ABOUT Simmons

chairman to succeed Charles Barnett of Alton.

Other GOP officers elected were Jon Walker, Moro, secretary; Robert Claus, Collinsville, assistant secretary; Allison Gansmann, St. Jacob, first vice-chairman; Charles O'Neil, Hamel, second vice-chairman; Kenneth Kennedy, Godfrey, third vice-chairman; Melvin J. Hubach, Edwardsville, fourth vice-chairman; Walter J. Emde, Granite City, fifth vice-chairman; Clarence Knabel, Alton, treasurer; Leroy Kutz, Venice, assistant treasurer; and William Spencer, Madison, sergeant-at-arms.

Overcomes Criticisms
In his re-election, Simmons overcame strong criticisms from dissident committeemen in the county. They claimed that general committeeman had little voice or influence with the executive committee in selection of county candidates for endorsement, and they questioned use of party finances.

A motion by Joseph Watsker of Alton to have each township select its delegation to the executive committee was shouted down in a voice vote. Simmons claimed that party funds went to prevent committeemen. He said all finances were handled by checks and that the candidates have been free to inspect the records. He added that one did and was satisfied. In calling for party unity, he pointed to the active work of leaders of the Venice township organization, including Christ Costoff, chairman of the Madison Democratic committee, and Alton Mayor Stephen Maers and Dr. John Lee, Venice mayor.

Lists Friends
He said they were good Democrats and his friends as were Mayor Charles Van Pretter of East Alton, Mayor Clyde Wiseman of Alton and others. Most of the committeemen applauded the remarks.

Simmons announced that all township chairmen will be appointed as vice-chairmen of the county committee, and that vacancies which may occur in the precincts will be filled with the advice of the township organizations.

The county chairman was nominated by Donald McLean, Edwardsville city chairman. All of the Edwardsville township votes were cast for Simmons. Seconding speeches were made by William Warfield, Granite City chairman; Robert Miller, Alton city chairman; and William Jenkins, former mayor of Worden who was elected state central committeeman for the 23rd congressional district. Zaganelli was nominated by John McConnell of Alton. He re-

Weed Fires Keeping Firemen Busy This Week

Dry weather and a series of weed fires were keeping Granite City firemen busy this week. All companies were out at about 3 p.m. Wednesday, with two working on a large field fire at Pointon road and Briarcliff, and another at 26th street and the rail crossing. There also was a grass fire at 9:40 a.m. Wednesday at 26th street and Grand avenue.

Another weed fire was reported at the end of Logan street at 12:15 p.m. Tuesday, and at 10 p.m. the same day, firemen worked on a burning shed at the end of Idaho street for 45 minutes. Causes were unknown and no damage was reported.

The bed of a National Disposal Co. garbage truck was on fire at 9:30 a.m. Wednesday at 26th Grand avenue, causing another alarm.

Meanwhile, police received a report at 10:25 p.m. Tuesday that boys were building a fire in the cemetery behind Kirkpatrick Homes. They extinguished it.

Reports of fireworks explosions were received between 10:20 and 10:35 p.m. Tuesday in 7th City Park and at 2000 Cleveland blvd., but nobody was located.

Safety in any highway travel belongs to the driver.

SOCIETY

Mrs. Gabriel is Honored For 30 Years with Bakery

Mrs. Elizabeth Gabriel, a 30-year employee of Mrs. Siebold's Bake Shop, was honored Wednesday at a buffet luncheon.

Present were Mr. and Mrs. Charles Siebold, Edwin Siebold, William Siebold and approximately 35 employees. Also attending were Mrs. Minnie Siebold, Mrs. Lorraine Mills, Mrs. Ella Mae Gabriel, Mrs. Edwin Siebold, Michael Siebold and Mrs. Elsie Henley.

The honored guest was presented with an orchid corsage and a personal invitation to it. It is believed that Mrs. Gabriel has set a record in length of service in the baking industry, having started 56 years ago as a

young girl. At that time she was employed at Scholobohm's Bakery located at 22nd street and Washington avenue, as a sales girl. Working hours then were from 5 a.m. until 10:30 p.m.

Mrs. Gabriel also worked for Jubelt's Bakery here and for a department store bakery in St. Louis.

RETURN FROM EAST

Mr. and Mrs. Arthur F. Buente, 2626 State street, returned Tuesday from Arlington, Va., where they were guests for a week of their son-in-law and daughter, Mr. and Mrs. William Oleson. Mrs. Oleson is the former Barbara Buente.

HONORED BY BAKERY. Mrs. Elizabeth Gabriel, who was guest of honor at a luncheon Wednesday as a 30-year employee of the Siebold Bake Shop. Left to right, front row—Mrs. Minnie Siebold and Mrs. Gabriel. Back row—Charles, Edwin and William Siebold.

MRS. VIRGINIA CRAFT

HAS PARTY FOR CLUB
Mrs. Virginia Craft, 2105 Terminal avenue, entertained her bridge club and three additional guests last night.

The guests were Mrs. Laura Byers, Mrs. Elsie Rodell, and Mrs. Esther Schwartz. Others to whom refreshments were served were three prize winners, Mrs. Beverly Just, Mrs. Carolyn Moski, Mrs. Helen Roussin and Mrs. Dean Davis.

Grand Jury Recalled; Will Convene Aug. 1

The Madison county grand jury will reconvene at Edwardsville at 9:30 a.m. Aug. 1 under a recall order issued by Chief Circuit Judge Harold R. Clark.

The jury recall was ordered at the request of State's Attorney Joseph Bartylak, whose office said the jury will hear evidence in criminal cases that have accumulated since the jury's initial report early this month.

The grand jury was impaneled May 23. It has been in recess since reporting 16 indictments and two not-true bills on June 1.

MRS. KATHLEEN SMITH IS SHOWER HONOREE

A surprise cradle shower was given by Mrs. Kathleen Smith, 3180 Jill avenue, this week by Mrs. Billie Jenkins and Mrs. Leona Mack.

Also present were Mesdames Florence Austin, Rosella Fuller, Lee Rino, Audrey Comrod, Helen Jenkins, Kathryn Juergensen, Ernestine Lee and June Mowery.

MORE ABOUT 4 Youths

Wednesday at 20th and Iowa streets.

Mrs. Browning was admitted to St. Elizabeth Hospital with injuries to the left jaw, cheek and neck.

Stafford said he was blinded by the sun while making a left turn, and the Browning woman, trying to avoid the collision, ran over the curb, blew out the right front tire and struck a street parking control sign. Stafford was charged with careless driving and was summoned for a hearing by July 15.

Ulysses N. Turner, 72, of Brooklyn, and Phyllis Warford, 20, of 2555 Stratford lane, complained of pains after Turner's auto struck the rear of another driven by Michael V. Warford, 2555 Stratford lane, who was stopped in traffic for a train at 16, of Rural Route One, who was dazed and had a pain in the head. They were released. The accident report was not available at the county sheriff's office.

charged with driving without a license and following too closely. He was summoned for a hearing by July 15.

Lucille Bell, 31, and Jeff Bell, two, both of 138 Briarcliff, were injured when her auto struck the rear of a Dron Electric Co. pickup truck driven by Chester Barton on Monday at 2434 Missouri avenue.

The truck was knocked into the front yard at 2438 Missouri avenue and straddled the sidewalk. The woman was treated at St. Elizabeth Hospital for injuries to her elbow, knee and forehead and was released. She was charged with careless driving and was summoned for a hearing by July 8.

Two girls who were passengers in an auto suffered minor injuries in an accident Monday night. Treated at St. Elizabeth Hospital were Sandy Green, 15, of Rural Route One, who had hit the windshield and Carla Field, 16, of Rural Route One, who was dazed and had a pain in the head. They were released. The accident report was not available at the county sheriff's office.

Funds Transferred as School Year Closes

With its 1965-66 fiscal year ending today, the Granite City school board has night transferred funds ranging from \$25 to \$31,400 from contingency accounts to 21 funds.

The largest amount went to the cafeteria food fund. Food costs increased faster than expected, and surplus commodities available to the district dwindled in quantity and variety.

Other adjustments involved school furniture, vehicles, paper, insurance, duplicating equipment and supplies, audio-visual equipment, maintenance supplies and athletic salary boosts, which were made retroactive to the start of the year.

The board set up revolving funds totaling \$5025 for the next year.

An annual payment to Waste Disposal, a local service, for maintenance of the Mitchell grade school sewage treatment plant was increased from \$340 to \$460 due to the state health department now requiring weekly rather than monthly tests.

Harry's Paint Store was designated as the supply source on six types of paint products at bid prices. Peagans Paint Co. on five kinds and U. S. Paint Co. on one category.

Six spirit duplicating machines, five manual and one electric, were ordered from Triangle Typewriter Co. for a total of \$1025.

Athletic schedule cards, football programs and May Day programs were ordered from Advertiser Press for a total of \$146.

It was decided to send a four-year-old high school boiler water pump to the manufacturer, Roy E. Roth Co., Rock Island, for an estimate on repair or replacement.

Supt. Russell D. Johnson said it will be impossible to have the new high school cafeteria building ready for use Sept. 1. The present cafeteria will be used for a few weeks, with the transfer then made during the fall.

Madison Man Held to Grand Jury in Theft

Martin Craig, 30, self-employed painter of 1633 Third street, Madison, was bound over to the Madison county grand jury by Magistrate Matocian yesterday afternoon on a charge of theft of more than \$150. Craig was released on property bond of \$500.

He was arrested by Madison police last week after they found in the basement of his house a quantity of loot identified as part of that taken in the burglary of the Hiwa Small Engine Service at 1425 Second street on the night of June 22.

Police reported they recovered two power mowers, a roto-tiller, an automatic calculator and other items. Loot taken in the burglary was valued at more than \$800, police said.

Taken in the burglary were two power mowers, two snowthrowers, power tools, shotgun shells and other items. Police said Craig refused to make a statement and the rest of the loot has not been discovered. Another man believed to have been involved still is being sought.

Hard Work by Many on 75th Jubilee—Maeras

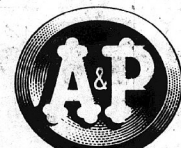

The Madison diamond jubilee currently in progress involved much more time and effort than expected, but it now appears to be well on its way to becoming an observance that will compare favorably with other anniversary celebrations held in this region, Mayor Stephen Maeras said yesterday.

Addressing Madison Rotarians, Mayor Maeras paid tribute to the hundreds of Madisonians who have worked hard in jubilee assignments. He added that some who had been counted on for assistance were unable to clear their schedules to take part. He thanked those who have grown beards and worn jubilee attire.

Briefly relating his views on Madison's 75-year history, the mayor said people have been the municipality's finest asset. While gambling and vice were a part of the history, there was similar lawlessness in the early years of most cities established in the 18th century, he commented.

Dr. J. E. Weed discussed booklets attempting to link Communism to mental health programs and daylight saving time. He also reported on Interact club activities.

Four fireworks complaints were received by Granite City police last night. The reports were at 9 p.m. at Wilson and Dale avenues, at 9:55 p.m. at 3024 Sunbury avenue, at 10:10 p.m. at 21st street and Delmar avenue and at 4:45 a.m. today in the 1206 block of Rhodes street.

HOW WILL YOU CELEBRATE THE 4TH?

See a parade... or perhaps a fireworks display? A backyard barbecue? How ever you celebrate we hope it will be a glorious 4th. We think lots of folks will be picnicking. We've anticipated their needs. Our shelves are stocked with everything to make any picnic perfect. Here's the best part: No matter what you buy, no matter who makes it, if A&P sells it, A&P guarantees it. We guarantee everything...except the weather. We're sorry about that—but we'll do this: With you, we'll wish for a perfect day. Lots of us will be picnicking too! P.S. Don't forget the can opener

Incentives. Trattler's Score Wins

Incentives notched their third
victory against three defeats as
they scored a 16-12 win over the
Eagles in Open Class B slow
pitch play at Wilson Park last
night. Don Kalmeyer and John
Allen had two homers each and
Ethan Allen hit a round-tripper
for Trattler's.

Allan Emmett hit a homer for
the Eagles, who are now 4-3.
Zips still lead the league with
a 5-2 mark and Bellemore Tile
PCC's are 2-5.

In a High School League slow
pitch contest, Trattler's pushed
its league mark to 4-1 by down-
ing MK Printing Mutt 18-7.
Granite City Sheet Metal took a
forfeit win when Roca came up
short of players.

Gary Ridenhour hit a homer
for Trattler's and Steve Rains
socked one for the Mutt, who
are now 1-4. Granite City Sheet

McKinley Bridge Traffic Up But Revenue Outlook Cloudy

The McKinley Bridge is heading for its first five-million-vehicle year in 1965-66. But this may not be enough to keep it "above water," financially speaking.

Evidence of monetary concern is provided by the bridge refinancing proposal given tentative approval at the June 17 Venice city council meeting. A combination of special and accelerated bond retirements jeopardized continued \$100,000 yearly profits for the municipality, as well as "B" bond series interest payments.

On paper, the bridge business appears to be doing well. But operating costs have risen and the state of Missouri levies annual property taxes substantially

higher than had been charted in financial projections prior to city purchase of the bridge Nov. 21, 1958.

Effect of Free Bridge
The outlook is further clouded by uncertainty over the impact of the new Interstate Route 270 toll-free bridge, scheduled to open later this year.

It is north of the Madison-owned Chain of Rocks Bridge and a considerable distance from the McKinley Bridge. But it potentially could lure some Quad-Cityans and others who now use the Venice bridge for 25 cents cash or an 18-cent commuter ticket.

Expressway Helps
A traffic study which preceded acquisition of the McKinley Bridge forecast a sharp rise in traffic after the Missouri approach bridge was linked to the Mark Twain Expressway in 1962.

Also predicted were earlier gains due to elimination of two-lane approach bottlenecks, smoothing of rough pavement and installation of improved safety devices.

In general, the forecasts have been accurate. It was estimated that vehicle-carrying capacity of the bridge would rise 70%, from 3,800,000 a year in 1957 to 6,500,000 by 1962. Whether this proves to be correct will depend on numerous factors, including the speed at which additional bridge improvements are made. One involves rounding out the sharp turn at the top of the Venice approach.

River Road, Underpass
Other steps likely to expand bridge traffic are extension of Federal Aid Route 151 (the Great River Road) to Venice, with a lane leading to the bridge approach, and installation of an auto traffic underpass immediately north of the Broadway railroad crossing.

The highway and underpass projects are expected to be carried out before the end of this decade. McKinley Bridge crossings in 1958 totaled 1,526,000 and remained near that level until reaching 2,202,000 in 1961, 2,510,000 in 1962, 2,889,000 in 1963 and 3,082,000 in 1964.

A 3,433,000 mark was attained in 1965, and 3,792,000 in 1967. Forecasts, Tolls Compared
Traffic of 3,634,000 was forecast for 1959, and this approximate level was recorded for the 18-month, 10-day partial fiscal year ending Sept. 30, 1959, first year of city operation. The recorded figure of 3,278,000 expands to 3,810,000 for 12 months.

Prediction for 1960 was 3,701,000, with 3,971,000 actually tallied; 3,850,000 for 1961, with 4,132,000 actual; 4,087,000 for 1962, with traffic soaring to 4,742,000 following the Mark Twain connection; 4,210,000 for 1963, with 4,871,000 tallied; 4,336,000 for 1964, with 4,864,000 drivers paying the toll; and 4,661,000 forecast for 1965, with 4,938,000 recorded.

Advance estimate of 1966 traffic was 4,586,000, with the five million level to be reached in 1970, 5,500,000 in 1974, six million in 1975 and 6,500,000 in the years

of 1982 through 1987.

Actual Crossings for the Last Year
Actual crossings for the first eight months of the October 1965-September 1966 fiscal year numbered 3,339,524, including 430,948 last October, 420,512 last November, 425,460 last December, 404,333 in January, 382,641 in February, 433,666 in March, 422,486 in April and 432,518 in May.

At a similar time in 1964-65, which ended with a record total of 4,558,727, the figure was 3,183,132.

At the present pace, a final count of between 5,000,000 and 5,100,000 seems probable, setting a new record. Six of the eight months of the current fiscal year—November, December, January, March, April and May—have set new records for those months. Traffic in October 1962 and February 1964 remains the highest recorded for those months.

No all-time highs have been set so far this year. Existing records were established in August 1965, when there were 483,460 crossings, including 113,051 in one week, and a daily average for the month of 15,395 vehicles.

Leave for California To Attend NAACP Meet

Hugh Hairston, Venice service station operator and vice-president of the Madison County Economic Opportunity Commission, will leave Saturday for Los Angeles, Calif., where he will attend the five-day NAACP convention as a delegate of the Madison branch and the Illinois organization of NAACP. The convention will open Tuesday in the Statler-Hilton there.

Mrs. Thomas Weston, also of Venice, is to leave Friday to attend the convention as a delegate of the Madison NAACP branch. Hairston is state finance chairman of the Illinois organization. Following the convention, Hairston plans to visit his son, Major Robert Hairston who is stationed at the Air Force base at Klamath Falls, Ore.

All Hospitals In Area OK'd For Medicare

On the eve of the start of Medicare, all of the hospitals in the local district have completed arrangements for full participation in the Health Insurance Program, the Social Security Administration is announcing.

Ralph Brasher, district manager, said today more than 6000 hospitals in the nation have already been approved for participation in Medicare. There is no such requirement, however, for the coverage of doctors services under the Medical Insurance Program.

"Except in strict emergency situations, services received at a non-participating hospital are not covered," Brasher defined emergency services as those which are necessary "to prevent the death or serious impairment of the health of the individual and which require the use of the most accessible hospital available which is equipped to furnish such services."

Brasher pointed out that while physicians and hospitals have the major role in providing services, other members of the health community will also be providing covered services.

"These include home health agencies, independent laboratories, and starting Jan. 1, 1967, skilled nursing home that qualify as extended care facilities."

Brasher invited residents to write, phone, or visit the Social Security district office for answers to their questions about the Health Insurance Program. The office is located at 435 Missouri avenue, East St. Louis, telephone BR 4-2200 or EXpress 7-5530.

Serigraph Display At SIU-SW Friday

Serigraphs by Sister Mary Corita, IHM, will be on exhibit from July 1 to July 25 in Room 305 of the Peck Classrooms Building on the new Southern Illinois University-Western campus.

These brightly colored silk-screen prints present a mélange of Pop Art, brush, color and typography involving quotations from the Psalms, John F. Kennedy, Camus, The Beatles, Martin Luther King, E. E. Cummings and others. The serigraphs range in size from 14"x17" to 24"x36" and will be on sale with prices ranging from \$10 to \$20.

Sister Corita has become an international figure in art in the past ten years. She has had works in such distinguished public collections as the Museum of Modern Art and the Metropolitan Museum in New York, The Library of Congress, Victoria and Albert Museum in London, and the Bibliotheque Nationale in Paris. She has executed commissions for the Container Corporation of America, Reynolds Aluminum and other varied industries. Gallery hours are 8 a.m. to 5 p.m., Monday through Friday.

SIU Increases Tuition Fee For Out-of-State Students

A \$50 per quarter tuition increase for students from outside Illinois was approved today at Carbondale by the Southern Illinois University board of trustees. It will become effective with the winter quarter.

University President Delyte W. Morris told board members the present non-resident tuition fee of \$122 per quarter was "one of the lowest in the nation" and appeared out of line in view of the ever-continuing pressures of enrollment increase.

No change was made in the \$42 per quarter tuition charge for residents of Illinois. All full-time students pay fees totaling \$38.50 per quarter in addition to their tuition.

Dr. R. P. Strange Gets Dept. Post at SIU

A retiring Air Force colonel and political scientist, Dr. Russell P. Strange, former Quad-Cityan, has been named acting head of the Department of Political Science at Eastern Illinois University at Charleston.

Dr. Strange, a faculty member at the University of Illinois since 1962, replaced Dr. Charles Beal, who resigned to become department head at the University of Denver.

Dr. Strange is ending his military career where he began—at the University of Illinois. He was the first U. of I. student to volunteer for service at the outbreak of world war II, and in 1962 he returned to head the Air Force ROTC program.

Officers Ready For Cyclists But Expect No Trouble

Madison county sheriff's deputies and state police are alerted to control any law violations stemming from a gathering of motorcyclists here Sunday. But they do not expect any difficulty.

Concerned over possible problems and damage, several Mitchell area business establishments plan to close for the weekend. Some other businesses and other Quad-City enterprises are studying the matter and may close.

No rowdiness is expected among the estimated 100 cycle racers scheduled to compete at the track near Mitchell. They are licensed and strictly regulated, and could be barred from the midwestern circuit of speedway races scheduled this summer.

If there is trouble — and law enforcement officers stress that they do not expect any — it supposedly would involve some of the several hundred cyclists who may come here to witness the races. Scatter incidents have occurred in Springfield, Chicago, and at points on the east and west coast, but they are said to be rare.

Contact made with California indicates that no spectators are coming from there for Sunday's races. One or two spectators may make the trip. Movies have depicted cycle groups there terrorizing communities.

"We'll be prepared," Sheriff Barney Fraundorf told the Press-Record yesterday, adding that current rumors appear to have grown far beyond any actual danger.

The sheriff conferred Tuesday with State Police Capt. Emil Toffant and was assured that troopers from this and other districts will be available if needed.

RIVER KEEL BOAT of the type used by explorers Lewis and Clark on their 1800's journey to the west passing through the Chain of Rocks canal locks this morning on its way to the St. Louis riverfront where it is to be displayed this weekend.

MORE ABOUT 600 AT

the Stars and Stripes, which signified the freedom of the people. Sparkling silver and white-outfitted baton twirlers handled their fiery sticks as did the Indians who arrived as America's first landowners.

Settlers, trappers and pioneers marched into the spotlight depicting the hard work of trying to tame the early America, its soils and its people. Yet, the audience could feel a certain empathy when sounds of fear rang out from a frightened telegraph operator — "I can't believe it, there's a war broke out!"

Civil War Depleted
Staunch and poised, Abraham Lincoln was pictured during the Civil War turmoil. To present a realistic setting, fireworks were set off to make his wars years in office seem real. The smoke and smell of fighting Yankee and Confederate soldiers brought back truth-filled memories of the trials of the early 1860's.

Lincoln delivered his Gettysburg Address before a crowd of 200, ending the strife and attempting to mend old wounds.

This nineteenth century scene told of the surveys, businessmen, disbelievers, churchpeople, gossip, students, workers, and cowboys who played prominent parts in the building of a restless midwest. Their times were "certainly not the most glorious for men and aspirations for higher goals come and go."

Madison was born in 1891 with a population of 1,971. A flood and fire at the turn of the century marked the progress of the "industrial revolution," but years passed again into prosperity.

The gay nineties ended, but arrival—like a roaring lion—the roaring twenties, bathing beauties, prohibition men, Keystone Kops — the whole kit and kaboodle.

Girls at "Pink Garter"
Chorus girls at "The Pink Garter Saloon" lived the stage a bit, but the depression era looms to disrupt the city financially.

However, a well-organized casting of "people from 42 lands" in the building of the city (now incorporated in 1942), the town's citizens began to glimpse a new time of health and wealth.

Mayor Stephen Maeris is shown testing the head position of the city. Aldermen and businessmen alike prove to citizens their endeavor in projecting Madison's growth potential with the purchase of Chain of Rocks Bridge.

"Green Berets," Kennedy and the "young America" provide reality in themselves. The audience to the imagination of the early 1960's is a projected look far into the future.

Soon, the typical American family arrives in a station wagon at one of Madison's local gas stations. Attendee "Fill her up, sir." Father: "No thanks, we just want to use the restrooms" and 20 little children pile out of the car.

That's the kind of night it was. Colorful, fun, commemorative and maybe even a little sad. Directors of "The Madison Story" had no moral to tell—just a good story of the progress people can make if they do what they want to do.

RIDC Board Meets Next
Thursday in St. Louis

The first annual meeting of the board of directors of the St. Louis Regional Industrial Development Corporation will be held at 3 p.m. Thursday, July 7, at the Bel-Air East Hotel in St. Louis.

Dr. Carroll A. Hochstadt, president of the 136-man board, said it would review the RIDC's first year of progress in organizing and planning an all-out, area-wide industrial development program.

The civic government, labor, business and education leaders who compose the RIDC undertake economic research to identify opportunities for existing and new industry, and to promote the metropolitan development of the area, twofold, the metropol.

economic welfare.

Burglar Steals Guns Worth \$400; Other Area Thefts

Guns valued at \$400 were stolen from the home of Russell Gail, 512 Bend road, between June 22 and Tuesday, he reported to the county sheriff's office. Missing are two .22 caliber Colt derringers in a case, a .22 caliber revolver on a .45 caliber frame, a .45 caliber Remington derringer and a carbon dioxide air pistol.

A watch owned by Wayne Tyler, 18 Bradley avenue, valued at \$135, was stolen from the dashboard while in a burglary car was parked at Horseshoe lake, last Friday, he reported to the sheriff's office on Tuesday.

\$2500 Theft at Plant
Five hundred copper-bronze plating racks valued at about \$2500 were stolen in a burglary at the Diamond Plating Co., East 23rd and Monroe streets, it was reported at 6:25 p.m. Monday.

The racks contained rubber coating. Entry was gained after 2 p.m. Saturday by clipping a cyclone fence at the rear of the building.

Burglars entered the home of Richard Hart, 3005 Iowa street, while the family was out of town last Thursday night, it was reported at 7 p.m. Monday. Nothing was missing. Entry was gained by forcing the garage door and the kitchen door with a pry bar or a large screwdriver.

Avery Towse, 2535 Edwards street, reported at 5 p.m. Monday that his eye glasses valued at \$50 were stolen from a locked closet at Marshall school after 2:30 p.m.

Robert Moore, 2534 Buenger avenue, reported that about 12 squares of shingles valued at \$96 were stolen from a new house he is building at 3243 Erin drive after 6 p.m. Monday.

Boat Stolen
A boat was stolen from a Long lake dock behind the home of Violet Zillotti, 5128 Lakeside drive, she reported to the county sheriff's office at 9:35 a.m. Tuesday. It was not chained.

Helen Semperger, 2517 Benton street, reported at 4:25 p.m. Wednesday that a tenant renting an apartment moved out during the day and took a wall mirror valued at \$35. There was no forwarding address.

Color Photos on
Drivers Licenses
Urged for Illinois

The Illinois Police and Benevolent Protective Association, with 17,000 members throughout the state, is spearheading an early campaign for legislation that would require color photographs of motorists on their drivers' licenses.

Joseph Hogan, president of the association, said at Springfield that the proposal "will be one of the most important of all legal reproduction of licenses and provide true identification of the license holder."

He said the laminated licenses would benefit the tavern operators who want positive identification of young persons attempting to purchase alcohol.

They also would aid police officials in enforcement of curfew laws and aid businessmen who cash checks.

Joining in the program are the Illinois Chiefs of Police Association, the Illinois Sheriff's Association and the National Fraternal Order of Police. Support also is being sought from Secretary of State Paul Powell's office which issues licenses.

Man Faces Three Charges
William W. Vandeventer, Mattoon, was arrested at 4:15 a.m. today at 23rd street and Washington avenue on charges of running a stop sign, speeding and careless driving. He was summoned for a hearing by July 15.

Philip Deltour, 83, 78-Year Resident, Dies

Philip Deltour, 83, a resident of Granite City for 78 years and father of Orville Deltour, Granite City building inspector, died at 8 a.m. today in the Colomades Nursing Home. Death was attributed to a heart ailment.

He had been in failing health for many years and was the first male patient of the Colomades Nursing Home when it opened about a year ago.

Mr. Deltour was a pioneer resident of the Granite City area. He was born in Belgium, but came to the United States and directly to Granite City with his parents when he was five years old in 1888, before Granite City became an incorporated city.

He retired 16 years ago in 1950, after working 38 years in the Granite City Steel Co. plant, where he held several different jobs during his working career.

His wife, Mrs. Florence Deltour, died in 1949. He is survived by two sons, Orville of Granite City, and Merle Deltour of Kokomo, Ind.; three grandchildren and 11 great-grandchildren.

Funeral arrangements are given in today's obituary column.

GC Man Saves Life of
Co-Worker in Arkansas

Jack Thomas, 19, of Granite City, an employee of the National Advertising Co. of Edgewoodville, was credited with saving the life of a co-worker Wednesday afternoon while the two were erecting a sign near Blytheville, Ark.

Details of the incident were lacking here today pending Thomas' return from Arkansas this afternoon, but company representatives reported that William Voegelé, 24, of Highland, accidentally swung a truck light into a high tension wire and was knocked unconscious.

Thomas, using a wooden pole, lifted the broken wire from across Voegelé, who was rushed to a nearby hospital. Voegelé later was transferred to the hospital at Memphis, Tenn. Company representatives said they understood early today that Voegelé is in critical condition but has a good chance for recovery.

Woman, Evelyn Baran
Dies Today at 41

Mrs. Evelyn (Bernice) Baran, 41, of 1212 Granite avenue, was pronounced dead on arrival at St. Elizabeth Hospital at 9:12 a.m. today. Death was attributed to a heart ailment. She had been ill for the past few weeks.

Mrs. Baran was born in Granite City and had lived here all of her life. She was a member of St. Mary's church and a member of St. Teresa Group 538, Polish Women's Alliance.

She is survived by her husband, Frank R. Baran; a son, Frank Jr.; a daughter, Michelle, both at home; two brothers, Walter Slaby and Lawrence Schmitz, both of Granite City, and a sister, Mrs. Clarence (Helen) Lindner of St. Louis. She was the daughter of the late Mrs. Julia Smith of Granite City.

Funeral arrangements are given in today's obituary column.

that can be given in any one year will be removed.

Written said that, in retrospect, the degree of increase in the extracurricular pay schedule granted this spring seems excessive.

Salary of Truant Officer James Dowler was set at \$627 a month for nine and a quarter months of work.

Maintenance Negotiations
Supt. Johnson said he and his assistant, Bob Davis, have met with representatives of school maintenance craft workers. Possible terms of new agreements were outlined for study by the board.

Pending agreements involve plumbers, carpenters, painters, chauffeurs and laborers. Action may be taken July 11.

Teacher Contract for the fall term were Mrs. Nancy Ann Diak, Freeburg, Eastern Illinois bachelor degree and two years of experience, Maryville fifth grade; Miss Angela Ann Marino, St. Louis, 1966 Southeast Missouri bachelor degree, speech therapist; Fred Owen Jones, Jackson, Mo., 1966 Southeast Missouri bachelor degree, GCHS English and art; Miss Carolyn Sue Troyer, 3312 Franklin avenue, SIU bachelor degree and six years of teaching, kindergarten; and Bruce Carl Ullman, Collinsville, SIU bachelor degree, Coolidge junior high science.

Third Truck Driver
Richard Gram, 2004 Wilson avenue, was hired for a newly-created third truck driver position.

Carroll Sanders, audio-visual director, was employed for a two-week period to inventory and allocate audio-visual equipment and supplies.

Resignations were accepted from Mrs. Ruth Hancock, secretary to the high school principal, and Jane Elsie Washington fourth grade teacher.

Supt. Johnson listed 33 faculty vacancies and said two teachers' skills approved totaled \$54,302 in the educational fund, \$57,094 new construction, \$19,680 federal instructional programs, \$19,332 building fund, \$25,381 transportation and \$518 cafeteria fund.

William Harris and Carl Maciel, newly appointed to board vacancies, were seated. All board members attended.

Three Radar Arrests
Arrested on speeding charges Wednesday morning were Ronald F. Gelforth, 1329 Maridian street, at East 23rd and Henry street; Geraldine B. Recer, 4225 Highway 111, at 2000 Pontoon road; and Bernard M. Wolff, St. Louis, at Wabash and Cottage avenues, as police operated a radar unit. They were summoned for hearings by July 15.

State Being Asked To Put More Teeth In Clean Air Law

Revision of the Illinois air pollution control law to provide more strict control over open burning practices will be sought by the Illinois Air Pollution Control Board in the next session of the Illinois Legislature, chief sanitary engineer of the State Department of Public Health.

Klassen said Tuesday that more teeth in the law are needed to control open burning at dumps. He said the law also must be amended to prohibit open burning while court cases instituted by the board are under review by the courts.

The state board has scheduled its first meeting in the local metropolitan area on July 27, but location of the meeting has not been announced.

Klassen admitted the board is concerned over the case of Bud Brown, operator of several dumps in the Caneen township area and along the Madison-St. Clair county line. The Illinois board has filed proceedings against Brown to force him to stop burning at the dump, but Brown has appealed the case. Brown has said he is attempting to stop burning at the dump.

State Sen. Paul Simon, Democrat of Troy, said he will introduce amendments to the present pollution control bill in the next legislative session. Senator Simon's wife is a member of the air pollution control board.

The pollution board recently opened its first regional office in Collinsville.

taining membership program in the area. The Granite City Association for Aid to Retarded Children is to be held to consider methods of extending its program to the entire area served by United Fund.

Executive members were urged to continue efforts to consolidate housing for United Fund agency offices. In conclusion, the committee praised Becker for his method of conducting the initial agency budget hearings which were held last week.

John Solenberger, executive director, reported that of the \$366,000 pledged in the last campaign, \$268,388 has been received. Disbursements have totaled \$173,183 through May.

Only 1.31 Inch of Rain In Quad-Cities this Month

Rainfall during June totaled a mere 1.31 inch—2.88 inches below the month's normal 4.29 inches, according to the gauge maintained by the U.S. Army Corps of Engineers at the Chain of Rocks canal locks.

The June rains fell on seven days, four of which were recorded as traces or less than a hundredth of an inch.

The U.S. Weather Bureau said this morning there's less than a 10% chance of precipitation to-

day, the last day of the month.

Measured precipitation 1.1 inch on June 9, .90 inch on June 13 and .26 inch on June 20. The traces were on June 2, 8, 15 and 27.

Thunderstorms were recorded in other areas the past Sunday and early Monday, but only a trace was recorded at the locks gauge.

The area's six-month total of precipitation now stands at 16.06 inches or 2.03 inches below normal.

BRIDE-TO-BE, JUDITH HARVEY, IS HONORED.

Mrs. Judith A. Harvey, daughter of Mr. and Mrs. Sher-ley B. Harvey, 109 Kinder lane, who will become the bride of Curtis S. Wofford, son of Mr. and Mrs. Earl Wofford of Granite City, July 2, was guest of honor Sunday afternoon at a shower party.

The shower was given by her sister-in-law, Mrs. Nancy Harvey, and Mrs. Mildred Stitham and Mrs. Maxine Jurgens at the Tri-Mor Bowl 300 Room.

Guests were seated at tables decorated in pink and white. The gift table was decorated in white, with wedding bells. An umbrella was suspended above with pink and white streamers.

After games were played and prizes were awarded, the home-ropes opened her many gifts.

Refreshments were served to Mrs. Della Harvey, the bride's mother, Mrs. Dorothy Wofford, the prospective groom's mother, and Mesdames Jane Halber, Sandra Rieley, Nadine Ryan and daughter, Shara, Milie Chomko, Pat Shipley, Myrtle Ryan, Kay Hansen, Maud McDowell, Edna Stapleton, Beatrice McGee, Joan Taylor, Sharon McGee, Edith Laycock, Gladys Hertz, Marnie Gibson, Lucy Demery, Julia Parks, Clara Conway, Pauline Demery, Geraldine Demery, Wilma Wofford, Ruby Arnold and June Patterson and Misses Donna Miskell, Priscilla Reed, Carol Wofford and Ann Nelson of the Quad-City area.

2 Local Boys Attacked, Hurt on St. Louis Bus

Two Quad-City youths were injured Wednesday afternoon when an unidentified man, wielding a brick, entered a Demlar-Forsyth bus in St. Louis, struck the two boys and then fled through the rear door of the bus.

The youths Joseph Nislike, 19, of 1941 East Fourth street, Madison, and Melvin Berry, 15, of 2913 East 24th street, said they knew of no reason for the attack.

Nislike suffered a head injury from a blow by the brick and was admitted to City Hospital in St. Louis where he remained today. Berry suffered a broken nose when the man hit him with his fist. He was treated at City Hospital and released.

Bus Driver Theodore Hooking reported the man boarded the bus at 2:40 p.m. at Delmar blvd. and Sarah street. He said the man forced his way by him before he could ask the man for his fare, struck the youths and ran out the rear door as other passengers screamed.

The boys had been in St. Louis visiting friends and were on their way home when the incident occurred.

HISTORICAL MONUMENT only a few miles away from the Quad-Cities in the Lewis & Clark State Park off Highway 3 and near the confluence of the Mississippi and Missouri rivers.

Monument to Mountain Men Few Miles Away

One of Illinois' least-known Lewis and William Clark camped State Memorials is located in a winter of 1803-1804, outfitting and training the men, repairing and strengthening their boats for the journey into the unknown. It was a momentous winter. Lewis and Clark Expedition, 1804-1806. To the west of the books of fiction and biography marker is the broad Mississippi, have used the incident, in a bit of yards the Missouri and Mississippi meet.

In the spring they waited for the ice to melt, and the floods to subside.

It was on May 13, 1804 when they pointed their boats and started up the unexplored Missouri.

Their hardships, their brush with the Indians, many unfriendly, their battle against sickness, hunger and the elements, is history.

Needless to say, they finally reached the river's source.

Names of Far-Off Lands

John W. Allen Southern Illinois University

When one question of priority arises it often is parried by a second one like "Which came first, the chicken or the egg?" This is illustrated when discussing turns around the use of Egypt and other names from the ancient country in the valley of the Nile as place names for localities in Southern Illinois.

"Land of Goshen," "Goshen Trail" or "Road to Goshen" were in use to designate the early road from Shawneetown to the vicinity of present day Edwardsville as early as 1808. This roadway first was officially recorded as the "Road from the United States Salines to Goshen Service," and was commonly called the Goshen Road, while those at the Goshen end of it called it the Shawneetown Road.

To hear and refer to it as the Goshen Settlement, or better still the Land of Goshen, comes pleasantly. Perhaps living part of a childhood near enough to know the old road and having been a child who frequented the ox-drawn wagons over it attaches sentiment to the very names of Goshen Road and to the numerous villages, stores and post offices along these roads.

Another Egyptian word, Cairo, first was used as the name for a bank with its offices in Kaskaskia, 80 miles or more from the place where a town with the same name would be established a score of years later. Next the name of Thebes came to supplant that of Spar Hawk Landing, the name of a river port. The name of Thebes is the newest of the borrowed names.

Originated in 1839's the word, Egypt, to designate the region now included in several Southern Illinois counties apparently came into common use in the 1850's.

Goshen, earliest of the words borrowed, first appeared as a place name in 1799 and definitely was in common use as early as 1802. Its first use was to designate a region lying southwest of Edwardsville, Illinois, and it thereafter it was used to name the roadway already mentioned.

The very first recorded use of Goshen was in the report of a Rev. David Badgley who had been sent by an eastern church he served to find a suitable location for a new settlement. His travels took him to the Edwardsville vicinity where he found a satisfying land.

In his report the Rev. Badgley, reporting the region as one that was "fertile and free from plagues," like that surrounding the city of Goshen in ancient Egypt. The plagues in this case probably referred to mosquitoes and malaria.

Impressed by Rev. Badgley's report many of his parishioners came to the region seeking new homes. By 1802 Goshen had become a prosperous and widely known farm settlement, one of the better ones in the Illinois country. Strangely, Goshen remained a dispersed farm community, and did not like so many others, become village centered. Somehow that fact also added interest. When a town did come it was Edwardsville, where Thomas Kirkpatrick had settled in 1805.

Goshen, on the fringe of the Indian country, was an important center of military defense. Several block houses were built there prior to 1812. Three companies of Mounted Rangers were recruited in the area.

John Reynolds, "The Old Ranger" who later became Governor of Illinois, served with one of these companies. Reynolds tells

Bi-State Hires First Arch Train Employee

The Bi-State Development Agency announced Tuesday the hiring of Thomas J. Stretch of St. Louis as the first employee on the Gateway Arch passenger transportation system and said that two permanent and 12 part-time jobs remain to be filled.

Stretch formerly was employed by the Bi-State Transit System as chief electrician at the De-Baliviere substation. His job was eliminated when street cars were discontinued.

Col. R. E. Smyser, executive director of the Bi-State Development Agency, said that experience in handling people is required to fill the remaining jobs. To provide job opportunities for older persons still in good health, applications for part-time jobs will be accepted from persons up to 70 years of age.

The agency expects to begin operation of the transportation system in the north leg of the arch on Aug. 6.

More than 4000 applications for taking the first ride in the arch train have been received, but Smyser said only about 2500 can be accommodated in an eight hour day.

Named to Welfare Council

Mrs. Nona Fuller, 1 Miami court, has been elected as secretary to the Civilian Welfare Fund Council of the Army Mobility Equipment Center in St. Louis. The council, with its 14 employee members, operates its programs for the benefit of the Center's employees from funds received from building machines in use at the Center.

Hospital EEG Department To Fulfill Area Need

Establishment of an efficient, well-functioning EEG department at St. Elizabeth Hospital will be the result of a recent acquisition of an electroencephalograph machine by the Granite City Rotary Club.

The \$800 machine, which permits detection and diagnosis of brain injuries and diseases, will be purchased with proceeds of the club's annual Horse Show which will be held this year on Aug. 28 at the Tri-City Speedway on Route 3, Mitchell.

Hospital personnel pointed out that operation of such a department requires several important steps and involves many factors that must be figured into successful operation of the machine as well as provide proper influences upon the temperament of the patient.

Foremost of these is a doctor especially trained in psychiatry or psychology who is responsible for the overall operation of the department.

Technicians who tend the patients have special training in an EEG lab for several weeks, including training in practice and theory. Their duties include recording and filing information about the patient, applying and removing electrodes, taking records, recognizing common artifacts, providing maintenance adjustment on the machine, and filing EEG records.

Second major step in setting up such a department is selection of the proper area, providing a room furnished to create relaxation in the patient.

Some of the Problems

It is important, it was noted, that the department be located where there are no motors.

Transformers, elevators or other equipment requiring large flows of electrical current.

If a static electric field creates problems, proper shielding of the machine, or grounding, may be necessary. Changes in areas where the air is too dry can cause static in the EEG tracing.

In some cases, highly waxed floors or moving and swaying objects which disturb the air may cause difficulties in obtaining a proper record. High humidity in the room may alleviate this problem.

Installation of the machine in St. Elizabeth Hospital will provide equipment previous unavailable, resulting in the necessity of sending some patients to St. Louis hospitals for the needed treatment. The machine acts on the brain similarly to the electrocardiograph machine which provides charts of heart reactions.

William Thoele, newly-stalled president of the Rotary Club, and Edward Meng, chairman of the fund-raising division of the program, pointed out that the cooperation of every Quad-City resident is needed to provide sufficient funds for purchase of the machine.

Driver Fined \$110

Thomas M. Mitchell, Edwardsville, was fined \$110 and costs for driving while his license was revoked and \$10 and costs for a right-of-way violation. The hearing was held Monday in magistrate's court here. The charges were filed March 31 by Granite City police.

GC Studies Double-Shift Mosquito Spraying

Double-shift spraying to rid the city of mosquito problems is under study by the Sanitation committee of the Granite City council.

Alderman Boyd, chairman of the committee, said the recommendation was submitted by the inspection department and action will be taken at next Tuesday night's meeting.

Authorization was given for two parades—a motorcade and today for U.S. Senator Paul Douglas, who is to appear at the Labor Temple for a political rally, and for the Jaycees' state sports jamboree on Aug. 5 to be from 24th street along Madison avenue, Namooki road and Peeling road to the high school athletic field.

Permission was given the Downtown Granite City Shopping Center Association to hold its annual sidewalk sales Aug. 5 and 6, provided the 32 merchants involved provide liability insurance to protect the city.

Five \$200 liquor bonds were approved for taverns and clubs including the Knights of Columbus, 21st and Edison avenue; the Disabled American Veterans, 1417 Nineteenth street; Kieffer's Lounge, William and Evelyn Kieffer, 1901 Adams street; The Senate Bar, John McAdams, 2105 Grand avenue, and Twigg's Tavern, Mike Antioff, 905 Niedringhaus avenue.

Vandals Shoot Holes In Four Windows
Vandals used BB guns to shoot holes in windows at four locations, according to reports made to police this week.

Plate glass windows were damaged at the Suburban Barber shop, 1551 Johnson road, and at Supreme Radio & Appliance Co., 2106 Johnson road.

Also damaged were a picture window at the home of Robert Wetzel, 3200 Wayne avenue, and a rear storm window at the home of Mrs. Clyde Stephens, 283 Namooki drive.

Window Fan Burns Up
A window fan caught fire in a second floor bedroom at the home of Edward Crsek, 1501 Edwardsville road, at 4 p.m. Monday, firemen reported. Damage was estimated at \$100 to the building and \$75 to the contents. Owner of the building is John Konarski, 2514 Edison avenue.

was an agreement submitted by Illinois Power Co. for installation of seven civil defense air raid warning sirens; and approval fees.

The joint McCambridge avenue paving project—carried out by Madison and Granite City with motor fuel tax funds—will require another two-city agreement on a speed limit and weight limit.

Granite City wants 25 mph and five tons, and First Ward Alderman Moerlein said he has conferred with Madison Mayor

Macras, who said he would present the same restrictions to the Madison council for consideration.

The limits were proposed last week by the Granite City council, and a letter Monday night from City Atty. Allen pointed out difficulties in enforcement if there were two sets of restrictions.

An overweight truck could escape a Granite City enforcement officer merely by crossing the street, the attorney stated. The city engineer was instructed to confer with state highway officials on the exact boundary line along the street.

MFT Work to be Reviewed
The state also is to be reminded that its refusal to approve improvement projects for Clark, Lindell, Cottage and Garfield avenues immediately east of Namooki road, is due for reconsideration. The projects were delayed "until summer" because of a lack of city MFT funds, which are committed for other projects.

The city's proposed \$13,250 special improvement project for widening Missouri avenue is to be called to the state highway department's attention to determine if state funds can be used.

The street committee was asked to study complaints of heavy trucks damaging homes in the vicinities of 27th and 28th streets along State street and at 26th and Benton streets.

Mayor Partney was asked to get appraisal figures for the proposed widening of Wabash avenue at Johnson road. Partney said the appraisal has been employed, but has not yet submitted a report. The council recently acquired property for the widening of Wabash avenue at Johnson road.

Weed Cutting by State
Weed cutting on city-state owned block in Lincoln Place

has been handled by the city in the past, but with the state now owning half of the block for the Federal Aid Route 151 right-of-way, the highway department will be called upon to cut the weeds there.

Approval was given for a \$41,831 half-month payroll and \$21 for overtime for clerks in the treasurer's office. The overtime is needed, it was explained, to balance tax collection books each evening.

A resolution was approved calling for installation of three fire hydrants to be placed by East St. Louis & Interurban Water Co.

at Erin and Newell drive and at 3227 Erin drive and 3228 drive.

Granite City PRESS-RECORD
Thurs., June 30, 1966

Two other hydrant locations were stricken from the resolution when it was noted they were outside the city limits. They were proposed for Willow and Smart avenues and at Zippel and Erin drives.

Council members said the city could not authorize such expenditure of funds. Mayor Partney pointed out the annual rental fee for a hydrant is \$44.

11 Drafted Tues., Another 10 to Go Into Army Friday

Eleven Granite City young men were inducted into the armed services Tuesday morning, leaving for training centers from the Madison county selective service board office in Edwardsville.

Another group of ten men from the Quad-City area is scheduled to be inducted tomorrow. Physical exams for 31 Quad-City registrants are scheduled for July 5.

Two of the group departing Tuesday were volunteers. They were Robert Daniel Ellis and David Ray Tackett.

Others who left for training are Colin Dion Halme, Douglas Beach Little, Michael Anthony Ward, Joseph Michael Ybarra, Dwayne Lester Sullivan, James Summers Jr., David Glenn McIntyre, James Craig Sappington and Harvey Eugene Swanson.

The inductees were served coffee and doughnuts prior to leaving the board offices by American Legion Post 113 of Granite City. Those who served were Mr. and Mrs. Paul Klaus, Helen Qualls and Mildred Reese.

'Great Music of the Church' To be Sung at Park Tonight

The second "Music Under the Stars" concert of the summer will be presented this evening at 8 o'clock at the 27th street and Delmar avenue entrance of Wilson Park.

The program is under the direction of Warren G. Simpkins and is sponsored by the Granite City park district. The public is invited to attend.

The program, entitled "Great Music of the Church," will be presented by the 50-voice "Music Under the Stars" chorus, which represents many churches in this area.

The chorus will begin with "All Hail the Power of Jesus' Name" (arr. Ward), with trumpet trio, accompaniment by Joe LeGrand, Randy Chandler and Alvin Hoekstra. The chorus will continue with "At Thy Feet" (Bach) and "O God Our Help in Ages Past" (arr. Martin), and end the program with "America, the Beautiful" (arr. Wilson).

Janice Weber is piano accompanist for the "Music Under the Stars" chorus.

A special feature will be a newly-formed male quartet composed of four Granite City ministers. They are: first tenor, Rev. Clair Clark, Trinity Methodist Church; second tenor, Rev. Gail Cross, Nameoki Presbyterian Church; baritone, Rev. Paul Sims, Niedringhaus Memorial Methodist Church; and bass, Rev. Keith Stamford, Suburban Baptist Church.

They will sing several numbers, including "I Love to Tell the Story."

Soloists during the evening will

Last 5 Days for Madison Diamond Jubilee

Five days of the "most colorful Orthodox Church, and Marilyn Champion's School of Baton will make up this 2 1/2-hour Jubilee celebration.

Today marks another starting point for Madison's 75th anniversary as old-timers get together to observe "Old Settlers' Day." Former and present residents of the town are invited to attend gab sessions at the Family Midway and Fun Zone to relive days past. Gates open later in the day when at 8 p.m. pre-spectacular entertainment will be performed before the second production of "The Madison Story." The "Little Cossacks," a Russian folk dance group from the Nativty of Virgin Mary Eastern One hundred and fifteen units of

floats, marching groups, mobile brigades and animal-drawn vehicles make up this 2 1/2-hour spectacle.

That evening, Altos' world champion "Pisa Indians Drill Team," which performed in Vietnam, will stage its performance at 8 p.m. at the Madison high school football field, stage location of "The Madison Story." Also to be entertaining before the show are the Mexican Folk Dancers of the Mexican Honor Society, Fairmont City.

Last Pageant Sunday
July 3rd terminates running of "The Madison Story." Sunday's "Grand Finale or Day of the Future" will no doubt end with a bang as fireworks highlight the final 90-minute presentation of the town's history. Connie May, Majlut, singer, with Wayne Scannell and his band should start the evening off on the right foot.

Just a few reminders: All pre-spectacular entertainment begins at 8 p.m. tonight through Sunday. Productions of "The Madison Story" start at 8. Location—Madison high school football field.

Monday's Fourth of July picnic is another full-day affair. Carnival rides, games, food and drink are available all day at the Midway and Fun Zone, Third and Highland avenues.

Womack, Bernard Krause, Renamed To Clean Air Board

Three members of Granite City Air Pollution Control Commission were renamed for three-year terms during Monday night's city council session.

Re-appointed by Mayor Parnsey and confirmed by the aldermen were William Krause, Burton Bernard and Sidney Womack.

Holdover members are Thomas Boker, chairman, Gilbert Sykes and Dr. George Wilkins, two-year terms; and Alderman Samuel Whitmer, Henry Bieniecki and Theodore Maclos, one-year members.

Dr. Wilkins was named to the board to fill the unexpired term of the late Dr. Irvin Wiseman, and Maclos was named to replace Eugene R. Burnett, who resigned after being named to the city's Board of Fire and Police Commissioners.

Dr. Koch Honored As Loyola Alumnus

Dr. Felicia Koch, 1821 Edison avenue, Illinois "Mother of the Year" and the metropolitan area's "Woman of the Year," was one of 14 outstanding alumni to receive the special "feather-in-hat" awards from Loyola University's Stritch School of Medicine last night.

The occasion was an alumni reunion held at the Great Hall of the Pick-Congress Hotel during the American Medical Association convention in Chicago. Nearly 500 medical alumni and their wives attended the reception and dinner-dance.

In its 21 years of existence, the Loyola University Stritch School of Medicine has graduated more than 4200 physicians. One out of every five physicians in the Chicago metropolitan area is Loyola trained. Other alumni, practicing in 49 states and many foreign nations, care for an estimated 3 million persons.

Rev. Mrs. Kurt Simon Adopt Baby Girl

Rev. and Mrs. Kurt Simon of Hoytson, Ill., are announcing the arrival in their home of their adopted daughter, Patricia Lynn. The baby, whose weight was seven pounds, two ounces, was born June 18.

Rev. Simon is superintendent of Hoytson Children's Home, an organization of the United Church of Christ (Evangelical and Reformed). He is well known here having spoken at various church meetings regarding operations of homes for dependent children. He has also served as pastor of United Churches of Christ in Addleville and New Baden, Ill., and other locations.

Prof Gets \$26,500 Grant To Study Butterflies

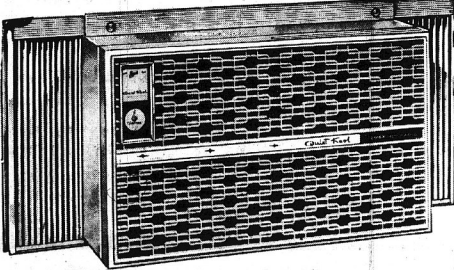

A Southern Illinois University scientist, John C. Downey, has received a two-year, \$26,500 research grant from the National Science Foundation to support behavior-related study of the immature stages of insects.

His research, a continuation of previous studies, will be concerned primarily with variation and evolution in the Lycaenidae, a family of butterflies. It will include studies of specimens from various parts of the world.

A bridal shower honoring Miss Linda Walker was given this week by Mrs. Laura Flach at her home, 2649 East 23rd street.

Present were Mesdames Jean Carver, Ethel Bell, Kathleen McFall, Bernice McFall, Edna Straub, Arthur Petroff and daughter, Elsie Flach and children, Mrs. Mimi Flach and daughter, Wilkowiak Walker, Sherrill Clinard, Justine Walker and the honoree, all of this area; Mrs. Helena Watson of East St. Louis, Mrs. Elsie Fietz, Mrs. Pearl Fietz and daughter and Mrs. Dora Junk of New Athens, Mrs. Shirley Jennings of Wood River, Mrs. E. C. Kimmelman of Carlyle, Ill., and Mrs. Charlene

Miss Elaine Raub, E. L. Baum Wed

Announcements have been received of the wedding June 25 at Moses Montefiore Temple in Bloomington, Ill., of Miss Elaine Raub, a daughter of Mr. and Mrs. James M. Raub, 2116 Adams street, and Eugene L. Baum, whose parents are Mr. and Mrs. Carl F. Baum, 744 Louwen drive, Ladue.

Rabbi Gerald H. Schuster officiated at the double-ring ceremony which was followed by a reception.

The bride was attired in a gown of ivory crepe and lace, the skirt ending in a full train. Her bouffant veil was secured with a headpiece of seed pearls and she carried a cascade of white roses and stephanotis. Attendants were Miss Pamela Callison of East St. Louis, and Sanford Schmidt.

The former Miss Raub was graduated from the Granite City high school and attended Illinois State University and Southern Illinois University-Southwestern Campus. Mr. Baum received Bachelor and master degrees from Washington University and is presently working toward a Ph.D. in history and philosophy of education. He is a Research Associate with the Human Development Corp. The couple will reside in St. Louis.

Miss Judi Steele Is Honoree

Miss Judi Steele, who will be married July 23 to Randy Shannon of Madison, was guest of honor Tuesday evening at a pre-wedding party and shower given by her aunts, Mrs. Lee Deering, Mrs. William Olander and Mrs. Thomas Foley at the Venice Social Club.

Approximately 50 guests attended. Games provided entertainment and refreshments were served.

Assisting the bride-to-be in opening the gift packages were Mrs. John Campbell, Mrs. Allen Lenzi, Miss Bonny Hasty and Miss Lisa Steele, a sister of the bride, who are to serve as attendants at the wedding. The ceremony will take place at St. Elizabeth's Catholic Church in Granite City.

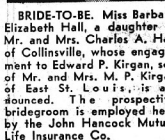

Eagles Auxiliary Aids Lodge

Mrs. Margie Hall, the newly installed president, was in charge Tuesday evening at a meeting of the Eagles Auxiliary.

The coming district meeting was discussed, and a report of the recent Father's Day banquet for the Eagles was given. Mrs. Ann Knapka, the retiring president, presented the men with a check for \$200 to be used to help defray expenses for air conditioning the newly-decorated lodge hall.

After the meeting, refreshments were served by Mrs. Margie Benner, social chairman, and her committee, Mrs. Irene McArdle and Mrs. Lucy Williams, to about 17 members.

The "white elephant" was awarded to Mrs. Opha McMann and Mrs. Edna Hatan received the special prize.

BRIDE-TO-BE, Miss Barbara Elizabeth Hall, a daughter of Mr. and Mrs. Charles A. Hall of Collinsville, whose engagement to Edward P. Kirgan, son of Mr. and Mrs. M. P. Kirgan of East St. Louis, is announced. The prospective bridegroom is employed here by the John Hancock Mutual Life Insurance Co.

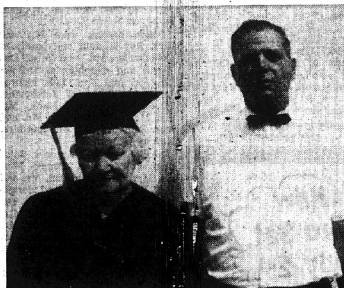

Tharpe and daughters of Edwardville.

Games provided entertainment and refreshments were served. Miss Walker is to be married to Terry Flach on Sept. 3 at St. John United Church of Christ.

Johnson Road Excavation Poses Problems for City

Driver's License Is

Suspended; Grant Permit

The driver's license of Rosser T. McGee, 2520 Madison avenue, has been suspended by the office of Secretary of State Paul Powell on grounds of causing or contributing to an accident resulting in death or injury.

Powell's office also announced Tuesday the issuance of a probationary permit to Marvin G. Hawkins, 4010 Braden avenue.

A problem of one-lane closing unknown at the present time, of heavily traveled Johnson road, concerns over timing the excavation of six to nine days just a short excavation was expressed by several aldermen who said it might be a problem for a new business on Johnson road.

The request for the excavation was made by Henry Ross Construction Co., which is to make a sewer connection in the middle of Johnson road—14 feet down—carried out at the time General Contracting Co. closes the Name-Chicken drive-in at 1510 Johnson road.

Last week, council members

demanded to know how long the one lane would be blocked, and the report of six to nine days was submitted Monday night. A suggestion was made that it probably could be done with only one or two or three days inconvenience, but the council decided the work should not be done until the intersection is closed for several days earlier.

There was an indication the blocks or more when both lanes are open. "What would happen if one lane was closed for a period of time?" he asked.

Auto Strikes Fence

James E. Vance, 2551 Namsoki drive, reported at 3:40 p.m. Monday that an auto ran into his fence and knocked over a post several days earlier.

He uses Johnson road daily and that often traffic is tied up for two blocks or more when both lanes are open.

Son Born in St. Louis

Mr. and Mrs. John Mangiaracino, 2520 Sidney street, St. Louis, are announcing the birth of a son, their first child, June 23 at St. John United Church of Christ. The infant weighed seven pounds, four ounces and has been named John Richard.

The father is a former resident of this area.

GCAARC Changes Name;

Shortened to GCAR.

The Granite City Association of Retarded, Inc., held its last meeting of the summer Monday night at St. John United Church of Christ. Twenty members were present, as the main order of business was the adoption of a new constitution and by-laws.

One of the most important revisions was a change in name to the Granite City Association for Retarded, Inc. Since many of the services of the organization are aimed at the young adult, the membership felt it best to delete the word "children" from the title.

A check was presented to the organization by the Elite Hair-dressers as the proceeds of their late winter fashion show.

Installation of officers was conducted with the following members to serve for the year 1966-67: Eugene Tondre, president; Mrs. Emma Relleke, vice-president; Mrs. Mary Lou Neumann, secretary; Mrs. Helen DeRuntz, treasurer. The next meeting will be held on Sept. 26, 1966.

Government Grain Bids

To Be Sold July 11th

Lee Rogers, office manager of the Madison county ASCS office, announced today that the government grain bins at the Edwardsville bin site will be sold at public auction, Monday, July 11 at 1 p.m.

The bin site is located approximately one mile north of Edwardsville on Route 159. Rogers announced that there are 40 aluminum bins to be sold. They are 250-bushel capacity and will be sold individually. In addition to the bins we are also offering put fence row mower, aeration tubes, electric fans and other miscellaneous items.

Minimum sales prices on the bins has been set at \$190. Bins sold must be removed from the site within 30 days. Persons desiring more information should contact the county office at 110 North Main street, Edwardsville.

Concordia Lutheran

Plans July 4 Service

A special outdoor service in which the public is invited to participate in a July 4 Litany will be conducted at Concordia Lutheran Church, 23 street and Grand avenue, Monday afternoon.

The 15-minute devotional will immediately follow the two-minute ringing of the Concordia church bell at 1 p.m., the same time that the Philadelphia Liberty Bell will be rung to remind the nation of its heritage. Just prior to the ringing of the bell, a four-man unit from the Granite City Army Depot will post the colors at the church entrance.

For the third consecutive year the Concordia church congregation has invited the public to participate in the services. Alderman G. H. Stenberg, representing the Granite City council, will deliver the welcome. Pastor Arvin Tietmeyer of Concordia Lutheran church, will give the sermon.

William Weimann Found

Fatally Wounded at Home

Funeral services were held Wednesday for William Henry Weimann, 82, 101 E. Wickliffe, Collinsville, who was found fatally wounded at his home over the weekend as a result of self-inflicted wounds from a 12-gauge shotgun.

Mr. Weimann, a former member of the United Mine Workers, is survived by his wife, Verdelina, and a son John E. (Jack) Weimann of Granite City; two brothers, three sisters, three grandchildren and three great grandchildren.

Beginners at Bank

2 GC Business Teachers Getting On-Job Training

Two business education teachers at Granite City high school are spending the summer getting "on the job" training.

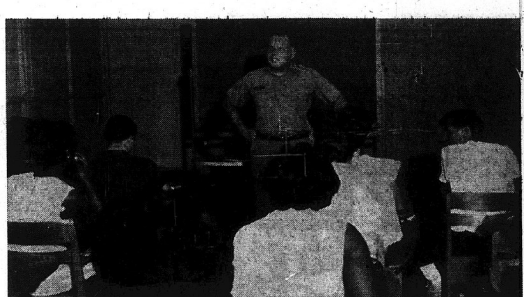

They are Miss Kathleen Kalchoff and Mrs. Wilma Hodshire, who "threw out" as beginning workers at the First Granite City National Bank.

Despite the fact that Miss Kalchoff has bachelor and master of science degrees from Illinois State University, Normal, and Mrs. Hodshire holds a BS degree from the University of Nebraska, Lincoln, they feel they are learning new methods and ideas of banking not yet defined in textbooks.

"The operational short cuts that we have already learned will help us prepare students for positions in the banking and finance industry," they said.

Some of their former students are now their instructors on the job. As any other new employees, they were interviewed for the job, filled out application blanks and went through an orientation period.

They work 40 hours per week as clerk-stenographers, and after six weeks of "beginning" work, in which they will be able to sample other beginning jobs in the bank, they will report to the University of Illinois at Champaign for a week of intensive review.

YOUTH OPPORTUNITY CAMPAIGN workers being welcomed at the Granite City Army Depot this week by Col. Charles B. Schweizer, depot commander.

Gets U. I. Band Award

James LeGrand, 1616 Wilson avenue, has become eligible for a University of Illinois concert band pendant for being a member of the band during the last school year.

Bradshaw, McKinley—Debbie and Tommy Duckworth, Katie Brunch and Scott Brokaw, Francis Brunch and Doug Morton, Webster—Debra Joseph and David Schwierjohn, Mary Sartin and Tommy Phillips, Linda Sartin and David Miller.

Depot Provides Jobs For 54 Needy Youths

Col. Charles B. Schweizer, commanding officer, Granite City Army Depot, officially opened and welcomed the youth opportunity campaign at the depot this week.

Fifty-four youths from the Quad-Cities and East St. Louis areas enrolled in the program are working at the depot.

The program is designed to provide jobs for youth who want to help themselves. Most of the youths are using their salaries to help pay for their education or help their parents.

Many are inexperienced workers and can use all the help and understanding they can get, YOK leaders state. In addition to providing jobs, a counseling program will evaluate and advise both the youths and their supervisors.

Their proposed programs include discussion groups and programs at various depot functions.

Older 4-H'ers to Attend Camp at Jacksonville

Nineteen older 4-H club members from Madison county will join those from 18 other counties in the Western Illinois camp district for a July 8-8 session at Lake Jacksonville.

Members will participate in water sports, nature study, recreation and craft activities. Counselors from Madison county will include Mrs. Catherine Mauck, home adviser; Louis Bower, assistant farm adviser; and Mrs. Cleo Wentz Marine.

State Air Pollution Board Opens Office

Air pollution problems occurring in Madison and St. Clair counties will be handled through offices of the Illinois Air Pollution Control board which were opened this week at 1800 St. Louis road in Collinsville.

The offices formerly were occupied by the Southwestern Illinois Metropolitan Area Planning Commission which recently moved to new quarters in downtown Collinsville.

Clarence W. Klassen, technical secretary of the state air pollution board, said the office was opened in recognition of air pollution problems indicated in a feasibility study conducted by the board's technical staff and to fulfill state obligations in conjunction with the Interstate Air Pollution study recently completed for the Illinois-Missouri Metropolitan area.

Government officials in the Madison-St. Clair county area requested the board to open a local office.

Anton Telford, sanitary engineer of the Illinois Department of Public Health, has been placed in charge of the office. Telford lives in Red Bud and formerly was employed by the city of St. Louis Industrial Hygiene Section.

Additional technical and clerical personnel will be added to the Collinsville office soon, Klassen said.

RIDC Plans Drive For More Auto Parts Business

A coordinated drive to win a bigger share of the multi-billion-dollar U. S. auto parts industry for the bi-state metropolitan area has been initiated by the Regional Industrial Development Corporation and will include an intensive program of contacting Detroit manufacturers this fall, according to D. Reid Ross, executive vice-president of the RIDC.

Representatives of more than 20 interested area industries met recently in St. Louis to discuss one of the principal factors of the campaign—a comprehensive 48-page market analysis produced by RIDC researchers. The booklet details the opportunities in this area for both auto assemblers and parts makers.

Plans are being completed for a task force of 26 industrial developers, realtors, business, political and financial leaders to visit Detroit in October.

They will spend a week contacting 450 Detroit-area parts manufacturers and top management and purchasing agents of Chrysler, Ford and General Motors.

Aim of the operation, Ross said, is to interest Detroit parts manufacturers in this area as a profitable branch plant site serving assembly plants here and to the south and west, and to focus attention of the auto manufacturers in the area as a major sourcing area second only to Detroit.

Industries already established in the Quad-Cities area are being encouraged to bid for a larger share of the original and replacement parts markets. The RIDC study emphasizes the area as the natural parts source for the south and west and details the growth and profit possibilities for both assemblers and parts makers.

Kiwanis Club Views Trip Around World

Granite City's Kiwanis Club met Monday at the Rose Bowl restaurant for its weekly dinner, and on the program was Arnold Cassens, a member of the Edwardsville Kiwanis branch, who presented a color-slide documentary on his trip around the world.

Cassens' narration covered trips to Italy, Egypt, Israel, India, Thailand, Hong Kong and Japan.

Ticket sales, ads and the coming boat race were then discussed.

The club held an inter-meeting with Belleville Kiwanis Tuesday night, and an inter-club gathering with Glen Carbon was set for Wednesday, July 6, at 6:30 p.m. Several members will be present at the Kiwanis Sports Day program on July 19 at the Lockhaven Country Club, Alton.

Regulations on Illinois Duck Blinds Announced

Registration for duck hunting blinds on Illinois and Mississippi waterways will be from July 23-Aug. 6.

Drawings will be on Aug. 6-7, except for Pools 16, 17, 18, 21, 22 and 24 in the Mississippi River and Pools 25 and 26 on the Mississippi and lower Illinois Rivers. Drawings for these sites and for new and unclaimed blinds on the Red's Landing, 12-Mile Island and Hurricane Island areas will be July 31.

Registrants must be 16 or older and have a 1965 or 1966 hunting license in their possession. No more than three hunters can register for a blind. Blind owners register for two partners but must have their partners' licenses.

Applicants must register for the Illinois site drawings between 10 a.m. and 2 p.m. Drawings are at 2 p.m.

Illinois River
Dates and locations for the Illinois River drawings are: Sanganois-Knap Island—Aug. 6 at the river landing check station on the west side of the Illinois, 1½ miles north of Brown, off of Illinois Route 100.

Spring Lake, Tazewell County—Aug. 6 at Pat's Landing on the county road crossing Spring Lake.

Woodford County—Aug. 6 at the public hunting and fishing area off of Illinois Route 87, north of East Peoria and across the river from Chillicothe.

Marshall County—Aug. 6 at the public hunting and fishing area north of the Woodford County area and about seven miles south of Lacon.

Spartan—Aug. 6 at the parking area on the west side of the Illinois, north of the town of Spartan.

Starved Rock—Aug. 7 at the east shelter house near the east entrance to Starved Rock State Park, off of Illinois Route 21.

Grundy County—Aug. 6 at Channahon State Park south of U. S. Route 6, at the edge of Channahon. Blind sites are located on the north side of the Illinois and Des Plaines Rivers above the Dresden Dam and Locks.

Will County—Aug. 7 at the Des Plaines Hunting Area across the road from the power station on Blodgett Road, about one mile west of U. S. Route 66 (Interstate 55). The blind sites are located below Smith Bridge and at Midvale on the Des Plaines River.

Grass Lake—Aug. 7 near the boat dock on the Chain-O-Lakes State Park, north of the town of Fox Lake and west of Grass Lake in Lake County.

Mississippi River
Times and regulations for drawings along the Mississippi are: Quincy Bay and Long Island—Aug. 6 at Sid Simpson State Park, Quincy. Drawings for both

of these areas will be at the same time.

Peter's Marsh and the Savanna Depot Area—Aug. 6 at the Lazy River Marina north of Savanna at 2 p.m.

Mississippi River navigation pools 16, 17 and 18 in Henderson, Mercer and Rock Island Counties, registering for blind sites July 28, through Sunday, July 31 from 9 a.m. to 6 p.m.

Locations: Henderson County—Delaware State Park, Okawika; Mercer County—New Boston City Park, (on the riverfront); New Boston; Rock Island County—public boat landing, two miles west of Andalusia on Illinois Route 82, across the highway from the River Queen Restaurant. Drawing is July 31.

Pools 21, 22 and 24: Registering for sites will take place Saturday and Sunday, July 23 and 24, from 9 a.m. to 6 p.m.

Sites in Pool 21 and sites in that portion of Pool 22 in Adams County are to be registered at the Sid Simpson State Park, Quincy. Sites located in the Pike County portion of Pool 22 and sites in Pool 24 are to be registered at the Pike County State Park, five miles west of Atlas on U. S. Route 54.

Duck hunters who had blinds in Pools 25 and 26 on the Mississippi and lower Illinois Rivers, including the Batchtown, Stump Lake, Glades, Godard, Diamond Island and Calhoun Point Areas may re-register their sites Saturday and Sunday, July 23 and 24, and Friday through Sunday, July 29, 30 and 31.

Site point is at the former Mississippi River Fish and Wildlife Management Headquarters on Illinois Route 100, ½ mile east of Pere Marquette State Park Lodge, the same location as in previous years. Hours for registration will be from 9 a.m. until 6 p.m., CDT, except for Sunday, July 31, when the hours will be 9 a.m. to 5 p.m., CDT.

Red's Landing, 12-Mile Island and Hurricane Island Areas—drawing on Sunday, July 31 at 6 p.m., CDT, at the Mississippi River Fish and Wildlife Management Headquarters Building on Illinois Route 100, ½ mile east of the Pere Marquette State Park Lodge.

TRAVELING TROPHY to be presented to the winner of the Southern Illinois AAU swimming meet to be held this summer at Marion is displayed by Keith Parker, left, pool manager and coach of the Paddlers swimming team, and Homer Johnson, executive vice-president of Paddlers operations and a meet official. The two contributed the trophy to the meet, as the last one was retired last year by Summersport of Alton, a three-time winner. Smaller trophies are for individual events.

Mets Notch 1st Softball Loop Victory, 17-12

Finally notching their first High School League victory, MHS Printing Mets blasted ROCA 17-12 in Wilson Park softball action Monday night.

Keith Gauen, homered twice and Dean Jones hit a homer for the winners, while Jim Little and Ron Johnson hit home runs for ROCA. Cotton Singler's homer and double led the way as Local 16 downed VFW 7-5 in 35 and Over slow pitch. Al Haug had three singles and Les McIlvoy a triple and one other safety for VFW.

In the other 35 and Over game, Rich Krieshok and Stan Serwacka homered as Jacobmeyer hammered out a 15-4 over Midtown Pharmacy. Ed Reinegal homered for Midtown.

Tony & Joe's leads the pack in 35 and Over with a 5-0 record. Local 16 is 4-2, VFW and Jacobmeyer both have 2-4 records and Midtown Pharmacy is 1-4.

In Class B, Bellemore Tile PFC's, behind Larry Curry, who smacked three homers, and Mike Lewis, who nailed one round-tripper, edged the Zips 15-13. Bill Haddix had two homers and Harold Pinkley and John Harper each had single home runs for the Zips.

Tri-City Cue Center To Sponsor Tourney

Wesley Ziegler, manager of the Tri-City Cue Center, 705 Madison avenue, has announced the dates of July 18-23 for the center's double elimination straight-pool tournament. A \$2 entry fee will be needed on or before July 11.

The tourney, which takes from 6 to 9 o'clock each evening, includes three age categories: men's, 16-21, and 16 and under. The tables to be used are regulation 9/16 feet.

Dan Churovich Named To State Demo Post

Dan Churovich, Democratic committeeman of Granite City Precinct 27, was elected treasurer of the Illinois Federation of Young Democratic Clubs at a convention session in Danville that ended this week.

More than 450 delegates from clubs throughout the state attended the convention at which Edward Rossell of Chicago was elected president.

New officers were elected by acclamation when no opposition developed on the nominating slate. Churovich and other new officers were installed at an installation banquet which was a highlight of the convention. U. S. Senator Paul H. Douglas was principal speaker of the evening. Speakers also included Donald M. Prince, candidate for superintendent of public instruction, and Adlai Stevenson III, candidate for state treasurer.

Takes 19 Nerve Pills

A Granite City woman, 21, was treated at St. Elizabeth Hospital Monday following an apparent suicide attempt. The woman, who is separated from her husband, took about 19 nerve pills, police said. She was found on the floor of her apartment by a neighbor.

DAN CHUROVICH, (second from left) Democratic precinct committeeman of Granite City, was elected first vice-president of the Illinois Federation of Young Democrats at recent convention in Danville. Left to right—Don Finn of Bloomington, new treasurer of the state organization, Churovich, and Edward Rossell of Chicago, president, discussing convention matters with Donald Willis, president of the Vermillion County club.

Extended Care under Medicare Explained

(This is the fourth in a series of articles by Ralph Brasher, Social Security district manager in East St. Louis, on how Medicare will work when it begins in July.)

Sometimes a hospital patient is not well enough to go home but no longer needs intensive hospital care. Under Medicare, if you have been hospitalized, your doctor can have you transferred to an institution called an "extended care facility," a specially qualified skilled nursing home or other facility which offers continuous nursing and related services.

An extended care facility can be a qualified institution having a transfer agreement with the participating hospital, or it can be a special wing or ward of a convalescent section of the hospital itself. A point to keep in mind is that Medicare covers extended care for an illness, not long-term custodial care.

If you have been hospitalized, and your doctor transfers you to an extended care facility for continuous skilled nursing and other care, your hospital insurance will help pay for up to 100 days of extended care during each spell of illness.

But only if the services are provided by an extended care facility participating in the Medicare program; you were in the hospital for at least three days, and you are admitted to the facility after your discharge from the hospital.

For extended care services your hospital insurance pays for all covered services for the first 20 days of this follow-up care and all but \$5 daily for the next 80 days.

The first two were \$20 and costs for illegal transportation of liquor; \$40 and costs for reckless driving, and \$20 plus costs for making an improper right turn, all filed May 9 by Granite City police, and \$15 plus costs for speeding, filed June 13 by Madison police.

Youth Fined \$125, Costs On Four Charges
 Terry R. Greathouse, 18, who gave addresses at 1918 and 1947 Benton street, was fined a total of \$125 plus \$20 costs Monday in magistrate's court.

Temperance Union Picnic
 The Women's Christian Temperance Union will hold its regular meeting with an annual picnic tomorrow afternoon at Wilson Park. Dinner will be served beginning at 5:30 p.m. All members are invited to come with their families. Honorary members are also invited.

World Lecturer to be Guest Speaker Sunday
 At the 10:45 a.m. worship hour Sunday, First Assembly of God Church will have as pulpit guest Dr. David J. du Plessis of Oakland, Calif., a world traveler and lecturer.

Dr. du Plessis, who was ordained in 1928, has served as secretary of the World Conference of Pentecostal Churches. He has lectured at Princeton, Yale, Union and the World Council of Churches in Switzerland, Southern Methodist University, the University of British Columbia, Colgate-Rochester and the Ecumenical Institute of the United Presbyterian Church.

The same evening at 7:30 a patriotic service, "Thank God For America," will be presented at the church and there will be choral selections.

Featured soloists will be Gwendolyn O'Guin, Kenneth Jones and Ray Voorhees. Patriotic dramatic readings will be presented by Gloria Skubish and Raymond Valley, and there will be a patriotic message by the pastor, Rev. J. Boyd Wolverton. Music will be directed by Don Stover.

The public is invited to attend both services.

Provide Suitable Fire
 Success in outdoor cooking often depends on providing a suitable fire.

To get a suitable fire, let the fuel burn 40 to 45 minutes until coals form. To determine when a fire is ready for cooking, hold your hand over the coals at cooking level (3 to 5 inches above the coals). If you can keep your hand at that level for a five-second count, the heat is low, about 250 degrees F. A three-second count indicates medium heat, about 300 degrees F. One second indicates about 350 degrees F.

For fuel, regular charcoal briquettes last longest; but if you have hard-cooking foods on your menu, consider using fuel that is more aromatic than these briquettes. Some cooks like to use hickory, maple, cherry, oak, birch or walnut, because of the smoky flavor they give meats.

Remember, too, that with charcoal fires you may not always need a lot of fuel. If you're cooking only a few hamburgers or hot dogs, use just a few pieces of charcoal. In this way you won't waste fuel.

What's New in Furniture?
 Low-cost, well-designed cardboard furniture isn't a futuristic dream; it's a reality.

Clara Dodson, University of Illinois extension specialist in home furnishings says that it all began with English designer, Peter Murdoch's scoop seat for children.

The chair is formed from a flat sheet of polyethylene-coated laminated fiber. The sheet is rolled into a cone shape before the seat and back are folded into place, and the forms stack like ice cream cones. Polka dots and stripes add color and interest.

An adult version of the cardboard chair for casual home use is also available.

This designer also has a simple cube storage system with molded panels that serve as doors but that also interlock so the cubes can be stacked like building blocks. This feature makes a storage island accessible from all sides and several levels.

You may ask how long cardboard furniture will last. Miss Dodson says that the question

misses the point, because the furniture is made to meet a short-term need. It is expected that a child will outgrow the chair and that it will be discarded. As for the storage unit, it is designed to fulfill temporary storage needs.

Cardboard furniture is designed to meet the requirements of that much-touted new market young people who marry while still in college, who move every few years and who have more taste than money.

Fruit Turning Brown
 Homemakers may notice that some fruits and vegetables turn unacceptably brown before they reach the dining table.

Playing a major part in this kind of browning are certain enzymes.

These enzymes start or accelerate chemical changes in foods, forming brown compounds, called melanins. Alko Perry, University of Illinois home economist, injury to fruit and vegetable tissue from cutting or bruising the combined effect of freezing and thawing usually precedes enzymatic browning.

Exposing the damaged surfaces to air accelerates some of the reaction.

Fruits and vegetables differ in their susceptibility to this kind of browning. Avocados, apples, apricots, cherries, figs, grapes, peaches, pears, plums, bananas, potatoes and strawberries brown readily.

Methods of preventing this browning either interfere with the action by preventing oxygen contact or stop enzyme activity by some direct means. Here are some ways to prevent browning:

Cover pared potatoes with salt water immediately after paring them; if they must be prepared in advance of meal preparation, dip cut fruits, such as fresh bananas, apples, avocados or pears, in citrus fruit juice or pineapple juice. In preparing peaches for freezing, add ascorbic acid or ascorbic and citric acids to the sugar solution used for packing the fruit.

VA Researchers Prove 'People Are Still Aging'

Growing old is simply a question of mind over matter—if one doesn't mind, it doesn't matter. That is the consensus of researchers in the psychology of aging at the Veterans Administration Hospital in Houston, Tex.

Jaycees Officers to be Installed Saturday

Installation of officers for the Granite City Jaycees will take place Saturday night at 6:30 at Augustine's restaurant, Belleville. The annual banquet dinner and program will be followed by a dance.

Officers to be installed for 1966-67 are: Royd Presley, president; Herbert Sibert, first vice-president; James Jeffries, second vice-president; F. Earl Warnhoff, treasurer; David Walker, secretary; Dr. Larry Tadlock, sergeant-at-arms; Floyd Peterson, state director. James Burton, retiring president, will become chairman of the board of directors. Other board members are Earl Dotzner, Michael Day, William Herbst, Gerold McGovern, Paul Morris, Dr. E. L. Strotheide and Victor Wetherholt.

Marine Col. Roland Lee Serving at DaNang

Marine Col. Roland M. Lee, son of Mr. and Mrs. Melvin F. Lee of 1008 Second st., Madison, is serving with Headquarters and Headquarters Squadron (H&HS-1) of Marine Wing Headquarters Group (MWHG-1) at Da Nang, Vietnam. MWHG-1 is a unit of the 1st Marine Aircraft Wing. The squadron is located at the Da Nang Aircraft base and provides security for the 1st Marine Aircraft Wing perimeter and supply personnel for the 1st Marine Aircraft Wing's staff sections.

Marriage License Issued

A marriage license has been issued in St. Louis to Charles Valle, of Granite City, and Ruth L. Ball of St. Louis.

Regardless of their age, persons who are effective and productive do not think of themselves as growing old. Apparently they are not aware that they are aging, the researchers point out. However, according to findings of 32 cooperative studies conducted by the Veterans Administration, the VA hospitals throughout the nation have had an increase of 35% in the number of heart disease patients, and an increase of 50% in the number of patients suffering strokes and other brain damage accompanying aging.

Efforts have been intensified in the investigation of heart disease, strokes, emphysema, cancer, diabetes, rheumatism and mental illness, the VA revealed. Emphasis is being placed upon new ideas and new approaches to the multitude of problems presented by aging and the increasing population of senior citizens.

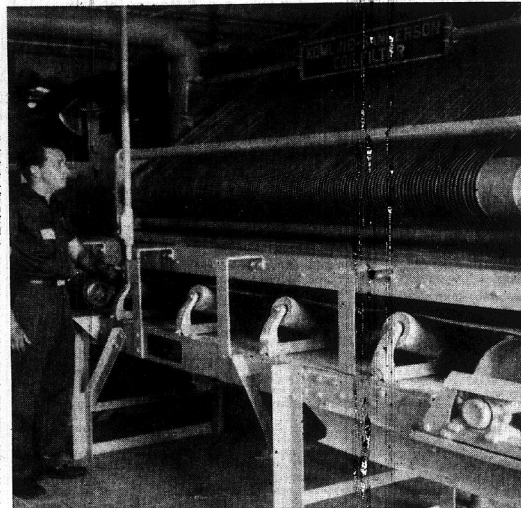

Three major studies now underway represent the scope of the VA research in aging. A long-term study of the aging process in healthy men, ages 25 to 85, was launched by the VA outpatient clinic at Boston. This study is expected to provide descriptions of the normal aging processes, prediction of later outcomes, and correlation of variables. Subject volunteers are to return for periodic examinations for the rest of their lives.

The Spanish-American War veterans study is a collaborative effort by trained teams from Headquarters Squadron (H&HS-1) of Marine Wing Headquarters Group (MWHG-1) at Da Nang, Vietnam. MWHG-1 is a unit of the 1st Marine Aircraft Wing.

Recreation Winners

Salvation Army winners last week in the Wilson Park summer recreation program were: checkers—Keith Rutter, Gary North and Scott Barnum; jacks—Vickie Mayes, Faith and Theresa Rutter; and bean bag—Thad Lakotas, George Smith and Marilyn Mayes. Beverly Rutter received the title of "citizen of the week."

Beards to be Judged Saturday Evening

"Beard contest" participants will have their hairy problems judged accordingly this Saturday at 6 p.m.

Wayne Scannell, participation chairman of the Diamond Jubilee, said today that contestants should report to the Mid-Way and Fun Zone, Third street and Highland avenue, for the judging. On lookers are welcome to attend the seven-category contest: full beard—mustache sideburns and a mustache—mustache and goatee—mustache-chop (long sideburns eventually meeting the upper lip to form a mustache, no beard)—well-groomed man charter group for 15 men or more.

Elks' Club Holds

Farm Picnic

The Elks Club 1063 picnic at Lebanon was attended by over 200 people this week. There was free swimming for the children, and barbecue was served to everyone.

In the championships of the club golf tournament, Carl Pashoff had the lowest score in the range of 72-80. Winners in other divisional contests were James Valcott (61-80), Vince Buschhoff (91-100), Paul Hollis (101-110), Owen Day and Gene McGovern (111-120), and Earl Schmitzer (121-130). Marie Day and Dorothy Copeland were first and second in the women's division.

WHEN YOU BUILD OR BUY Be wise—insist on a Medallion Home

Even if you had X-ray eyes that could penetrate the walls, you still couldn't tell for sure that the wiring in your new home is everything it should be. That's why you are wise to insist on a Medallion Home. Because electrically speaking, this symbol takes the guesswork out of your investment in a new home.

Good builders proudly display the Medallion. It is a stamp of approval certifying that the home meets the highest electrical standards.

A Medallion Home has been checked by Illinois Power for adequate wiring, heavy-duty circuits, special purpose circuits, general purpose circuits, outlets, light wherever needed, and at least four major electric appliances, including an electric range.
